19	Adjourn

I hereby certify that as the designee of the chief elected official of the Village of Somers, I posted this notice of the June 9th Village Board Meeting agenda in 1 public place & on the Village website.

Dated this 8th day of June 2026 Wendy Burnette, Clerk-Treasurer

Requests from person with disabilities who need assistance to participate in this meeting should be made to the Clerk’s Office at 262-859-2822 with as much notice as possible. **Notice is hereby given that members of the Village Board may participate telephonically. Notice is hereby given that members of the Town Board may be in attendance for the sole purpose of gathering information. A quorum may be present. However, no Town Board action will be taken.**

Village of Somers
Proceedings from the Regular Board Meeting May 26, 2026

President Stoner called the meeting to order at 5:30 p.m.

President Stoner led the Pledge of Allegiance.

Present: President Stoner, Trustees Karl Ostby, Ben Harbach, Scott Fredrick, Jack Aupperle and Jackie Nelson. Trustee Smith was excused. Also present: Administrator Jim Hurley, Clerk/Treasurer Wendy Burnette, Assistant Administrator Kevin Poirier and Chief Andersen.

Consent and Approval of Minutes of Regular meeting on May 12th, Vouchers dated May 14th and May 21st.

Trustee Aupperle moved to approve Minutes of Regular meetings on May 12th, Vouchers dated May 14th and May 21st.

Seconded by Trustee Ostby

Motion carried. 6-0 vote

Correspondence: none

President and Trustee Comments: none

Citizens Comments:

Administrator Hurley read aloud the citizen comment guidelines.

Gregg Sinnen, 750 Green Bay Road

Mr. Sinnen addressed the proposed meeting schedule change, agenda item #11. He acknowledged there could be benefits to reducing meetings but expressed concerns about potential negative impacts, including longer agendas, extended meeting times, and delays for developers working under tight timelines. He emphasized the importance of trustees and staff addressing questions prior to meetings to avoid unnecessarily lengthy discussions during meetings.

Mr. Sinnen noted that reducing meetings to once per month could lead to meetings becoming more contentious or difficult due to the increased volume of agenda items. He encouraged the Board to carefully evaluate the pilot program and review what worked well and what did not at its conclusion.

He also expressed concern regarding public comment periods, stating that with fewer meetings, more residents may wish to speak at each meeting, potentially adding significant time to already lengthy sessions. He referenced prior instances where public comment times were reduced to accommodate larger numbers of speakers and cautioned against limiting public participation.

Additionally, Mr. Sinnen stated he supports trustees notifying staff in advance about questions they intend to ask, but he emphasized that those questions and answers should still be discussed publicly during

meetings so residents can hear the discussion and understand the reasoning behind decisions. He concluded by thanking the Board for their service.

Ted Terletzky, 9015 12th Street

Mr. Terletzky expressed appreciation for a Board member's research into past subdivision developments, stating the information was helpful and informative to residents. He raised concerns regarding proposed subdivisions, including Mastercraft, Maplecrest, and Goldmark, questioning why variances are frequently granted when Village ordinances already establish subdivision standards such as lot sizes and curb and gutter requirements.

Mr. Terletzky also expressed concern regarding the proposed meeting schedule changes under agenda item 11, stating that residents often feel decisions are substantially made before matters reach Village Board meetings. He referenced ongoing discussions between developers and the Village prior to public meetings and emphasized the importance of maintaining meaningful opportunities for public input.

Additionally, he requested that public comments be allowed during work sessions if the Village moves to a reduced meeting schedule. He suggested limiting comments to the specific agenda item being discussed so residents can provide input earlier in the process, particularly on development-related matters. He concluded by encouraging the Board to continue providing residents with opportunities to have their voices heard throughout the decision-making process.

Sharon Janusz 8730 12th Street

Ms. Janusz spoke about concerns related to the Highway E water project, sewer planning, and increased development activity in the area. She described ongoing issues with village communications, including repeated attempts to correct her mailing address and difficulty obtaining project documents.

She expressed concern about the high cost of the water project being placed on local taxpayers and questioned whether better planning could have reduced the financial impact. She also discussed receiving a letter requesting a sewer easement on her property, later learning the easement may not actually affect her parcel, which caused confusion and frustration.

She then raised concerns about heavy truck traffic, construction noise, and future impacts from developments such as MasterCraft and proposed housing projects. She questioned why alternative truck routes were not being used and asked what steps the board is taking to protect the quality of life for residents as development continues.

Action on proposed Resolution No. 2026-013, Authorizing Submittal of CMAR Report to the Wisconsin DNR

Trustee Ostby moved to approve proposed Resolution No. 2026-013, Authorizing Submittal of CMAR Report to the Wisconsin DNR

Seconded by Trustee Harbach Motion carried. 6-0 vote

Action on Change Order #1 for the 12th Street Watermain Project to Replace Bid Set Drawings with the Construction Set Dated 3-17-2026

Trustee Aupperle moved to approve Change Order #1 for the 12th Street Watermain Project to Replace Bid Set Drawings with the Construction Set Dated 3-17-2026.

Seconded by Trustee Fredrick

Trustee Harbach asked Village Engineer Doug Synder for clarification regarding a proposed change order related to the water main project. Trustee Harbach questioned why changing from an open-cut water main installation to directional drilling resulted in an additional cost of approximately $52,000.

Doug explained that the directional drilling itself accounted for approximately $28,620 of the increase, while the remaining costs were associated with having to excavate deeper than anticipated to avoid existing sewer laterals. He stated that additional excavation, disposal of unsuitable material, and imported granular backfill were necessary to prevent damaging the sewer laterals or relocation of sections of water main.

When asked whether the depth of the sewer laterals had been known beforehand, Doug stated that the available records provided by public works staff did not contain elevation information identifying the depth of the laterals.

Trustee Ostby asked Doug whether he anticipated any additional change orders related to the project. Doug responded that he did not foresee any further change orders at this time.

Motion carried. 6-0 vote

Motion to approve pay request from PTS Contractors, Inc., for the 12th Street Water Main Project in the amount of $604,027.10

Trustee Ostby moved to approve pay request from PTS Contractors, Inc., for the 12th Street Water Main Project in the amount of $604,027.10

Seconded by Trustee Aupperle Motion carried. 6-0 vote

Action on proposed Resolution 2026-015 to amend the 2026 Capital Improvement Plan (CIP) to assign $30,575 of the budgeted 2026 Paving Project to the Stormwater fund.

Trustee Harbach moved to approve Resolution 2026-015 to amend the 2026 Capital Improvement Plan (CIP) to assign $30,575 of the budgeted 2026 Paving Project to the Stormwater fund

Seconded by Trustee Ostby

Trustee Fredrick asked if this amount was budgeted. Motion carried 6-0 vote

Action on Village Board Pilot Meeting Schedule: June – August 2026

Trustee Fredrick made a motion to table the Village Board Pilot Meeting Schedule due to citizen comments.

Seconded by Trustee Nelson

Administrator Hurley added that he had included two recommendations in his memo for the board's consideration. First, he suggested allowing public comment during work sessions to provide residents with two opportunities each month to address the board. Second, he noted that if urgent matters arise, the board always has the option to schedule a special meeting during the additional week in the monthly schedule.

Motion carried. 6-0 vote

Motion to adopt Resolution 2026-016, Urging the State of Wisconsin to Enact a Sustainable Transportation Funding Solution

Trustee Aupperle moved to approve Building Standards for Duplex Condominium Homes

Seconded by Trustee Ostby Motion carried. 6-0 vote

Motion to adopt Village Board Ordinance 2026-002, Worthless Payment Charge; Overpayments

Trustee Aupperle moved to approve Ordinance 2026-002, Worthless Payment Charge, Overpayments.

Seconded by Trustee Harbach

The Administrator noted that similar ordinances are in place in Kenosha County and the Village of Pleasant Prairie, with minor variations in refund thresholds. Under the proposed ordinance, individuals would have 90 days to review their account and request a refund of any overpayment.

Board discussion included suggestions to communicate the ordinance to taxpayers through tax bill inserts and the municipal website to ensure public awareness.

Members also discussed year-end reconciliation and budgeting considerations to ensure that any collected funds are properly accounted for and reflected transparently in financial reporting.

Concerns were raised regarding the legal implications of retaining overpaid funds and the potential for future legal challenges. It was noted that legal counsel could be asked to review the ordinance for any concerns.

Motion carried. 6-0 vote

Motion to approve order and installation of a key switch to the basement elevator from Schindler Elevator Corporation for $3,661.62.

Trustee Fredrick moved to approve order and installation of a key switch to the basement elevator from Schindler Elevator Corporation for $3,661.62

Seconded by Trustee Nelson

President Stoner mentioned he is not voting for this and not voting for spending any other money until he feels the budget is under control.

Trustee Fredrick Aya, Trustee Nelson Aya, Trustee Aupperle Aya, President Stoner Nay, Trustee Ostby Aya, Trustee Harbach Aya

Motion Carried 5-1 vote

Motion to approve application for Class "B" (Picnic) Beer License from Friends of Hawthorn Hollow, located at 880 Green Bay Road for their Pike River Benefit Concert Series on June 12th, July 10th, August 7th and September 25th, and requests to waive fees.

Trustee Harbach move to approve application for Class "B" (Picnic) Beer License from Friends of Hawthorn Hollow, located at 880 Green Bay Road for their Pike River Benefit Concert Series on June 12th, July 10th, August 7th and September 25th, and requests to waive fees.

Seconded by Trustee Nelson Motion carried. 6-0 vote

Action on Operator's Licenses: Dolton Dupler

Trustee Aupperle moved to deny Dolton Dupler's operator's license

Seconded by Trustee Ostby Motion carried. 6-0 vote

Motion to Adjourn

Trustee Harbach moved to adjourn at 6:00pm

Seconded by Trustee Nelson Motion carried. 6-0 vote

These minutes are considered a draft and have not officially been approved by the Village Board. Wendy Burnette, Clerk/Treasurer

KENOSHA COUNTY

BOARD OF SUPERVISORS

RESOLUTION NO. 6

Subject: RESOLUTION SUPPORTING TEMPORARY MORATORIUM ON THE CONSIDERATION AND/OR ISSUANCE OF BUILDING PERMITS, CONDITIONAL USE PERMITS AND ZONING APPROVALS FOR BATTERY ENERGY STORAGE SYSTEMS PENDING ENACTMENT OF AN AMENDED ZONING ORDINANCE TO ADDRESS THESE SYSTEMS AND PROTECT THE PUBLIC HEALTH, SAFETY AND WELFARE OF KENOSHA COUNTY RESIDENTS	
Date Submitted: May 19th, 2026	Date Resubmitted:
Submitted By: Andy Buehler, Director of Division of Planning & Development	
Fiscal Note Attached ☐	Legal Note Attached ☐
Prepared By: John F. Moyer, Senior Assistant Corporation Counsel	Signature:

WHEREAS, a "battery energy storage system" is an electronic storage resource capable of receiving electric energy from the grid or other electric resource and storing it for later injection of electric energy back to the grid; and

WHEREAS, Kenosha County is advised and believes there has been an interest in establishing battery energy storage systems in Kenosha County; and

WHEREAS, Kenosha County enacted an ordinance within Chapter 12 of the Kenosha County Ordinances to address BESS in November, 2024 setting parameters for where and how these systems may be located within Kenosha County; and

WHEREAS, the technology and industry around these systems is evolving which necessitates review and revisiting the parameters and limits necessary; and

WHEREAS, there exists potential health and safety issues related to the construction of battery energy storage systems including, but not limited to, electrical connections, electric and magnetic fields, toxic gases, impacts on air and water quality, and fire hazards, all of which is documented in scientific studies, research, and analysis of battery energy storage systems; and

WHEREAS, the potential secondary effects of battery energy storage systems may affect property values in Kenosha County and be detrimental to the public health, safety and general welfare of Kenosha County residents, businesses and visitors; and

WHEREAS, Kenosha County believes that review of the changes in technology and circumstances concerning BESS since the adoption of the ordinance in 2024 is necessary to protect the public health and safety of Kenosha County residents, businesses and visitors and otherwise preserve the value of properties in Kenosha County; and

WHEREAS, Kenosha County believes it would be beneficial to research and establish consistent zoning standards to be applied on these establishments in accordance with the authority granted to Kenosha County pursuant to Wis. Stat. § 59.69 (1), Wis. Stat. § 59.69(4) and Wis. Stat. § 59.03 (2)(a); and

WHEREAS, a limited moratorium on the consideration and/or issuance of building permits, conditional use permits and zoning approvals for battery energy storage systems is necessary to allow the Kenosha County Planning and Development Extension and Education Committee ("PDEEC") to research and study current literature/media on how battery storage systems operate, evaluate how risks and hazards can be mitigated and examine how the zoning ordinance should be changed to address these systems and protect the public health, safety and general welfare of Kenosha County residents, business and visitors; and

WHEREAS, the Kenosha County Board of Supervisors, by this Resolution intends to establish a moratorium, upon the terms set forth in this Resolution, that is effective immediately upon passage of this Resolution.

NOW, THEREFORE, BE IT RESOLVED, based on the above recitals and pursuant to Wis. Stat. § 59.69 (1), Wis. Stat. § 59.69(4) and Wis. Stat. § 59.03 (2)(a), the Kenosha County Board of Supervisors declares that a limited and temporary moratorium on the consideration and/or issuance of building permits, conditional use permits and zoning approvals for battery energy systems is necessary to allow PDEEC to review, revise, and enhance the current ordinance concerning the possible impacts that battery energy storage systems may have on the health, safety and general welfare of the residents, businesses and visitors of Kenosha County and revise Chapter 12 of the Kenosha County Ordinances to address these systems; and

BE IT FURTHER RESOLVED, that this moratorium shall be in effect for twelve months (12) following the effective date of the

ordinance imposing a temporary moratorium on the consideration and/or issuance of building permits, conditional use permits and zoning approvals for battery energy systems. A copy of this moratorium ordinance is attached to this resolution as Exhibit A for reference only and will be approved as a separate and stand-alone ordinance in accordance with Kenosha County's typical procedures.

BE IT FURTHER RESOLVED, that during the period of this moratorium, PDEEC is directed to consult with other municipalities and to review and research appropriate studies and information pertaining to battery energy storage systems. PDEEC may also, in its discretion, consult with any experts or scholars with knowledge about the possible impacts of these systems, including but not limited to engineers, lawyers, law enforcement officers, fire fighters and those with specialized knowledge in the fields of geology, soils, or other public health or environmental protection issues. PDEEC shall also provide opportunities for public participation throughout this process and consider the public health, safety and general welfare of Kenosha County residents.

BE IT FURTHER RESOLVED, that during the period of this moratorium, PDEEC shall draft an ordinance and modify Chapter 12 of the Kenosha County Ordinances, providing comprehensive and appropriate regulations of battery storage systems to protect the health, safety and general welfare of Kenosha County residents, businesses, visitors and members of the public and present this ordinance to the Board of Supervisors at the earliest possible date. It is the intent of the Board of Supervisors to adopt an ordinance and approve modifications to Chapter 12 of the Kenosha County ordinances, before the expiration of this moratorium.

BE IT FURTHER RESOLVED, by the Kenosha County Board of Supervisors, that the County Executive and the Director of PDEEC are authorized to execute any contracts, agreements or other documents necessary to carry out the intent of this resolution.

BE IT FURTHER RESOLVED, that this Resolution shall expire and be of no further effect upon the date first following the effective date of the ordinance codified by the Kenosha County Board of Supervisors' adoption of Ordinance No. ___.

BE IT FURTHER RESOLVED, that if the Kenosha County Board of Supervisors fails to adopt Ordinance No. ____ by [DATE], this Resolution shall expire and be of no further effect as of [DATE].

Dated at Kenosha County, Wisconsin, this 19 day of May, 2026.

VILLAGE OF SOMERS
VILLAGE BOARD
MEETING ITEM MEMORANDUM

MEETING DATE: June 9, 2026

TO: Village President Stoner and Village Trustees

PREPARED BY: Jim Hurley, Administrator

AGENDA ITEM: #7 Adopt Resolution 2026-017 and letter to the Bureau of Indian Affairs Objecting to Section 151 Request to Acquire Land in Trust for Gaming for the Proposed Menominee Indian Tribe Hard Rock Casino Project to be located in Kenosha

---

BACKGROUND:

The Village Board and Town Board agreed to adopt a resolution and submit a letter to the Bureau of Indian Affairs objecting to Section 151 Request to Acquire Land in Trust for Gaming for the Proposed Menominee Indian Tribe Hard Rock Casino Project proposed to be located in Kenosha.

SUGGESTED ACTION/ACTION REQUESTED/COMMENTS:

"Motion to Adopt Resolution 2026-017 and letter to the Bureau of Indian Affairs Objecting to Section 151 Request to Acquire Land in Trust for Gaming for the proposed Menominee Indian Tribe Hard Rock Casino Project to be located in Kenosha."

ATTACHMENTS:

Resolution 2026-017

Letter to the Bureau of Indian Affairs

RESOLUTION NO. 2026- 017

RESOLUTION IN OPPOSITION OF PLACING APPROXIMATELY 59.19 ACRES OF LAND INTO FEDERAL TRUST FOR THE MENOMINEE INDIAN TRIBE OF WISCONSIN FOR THE PURPOSE OF CONDUCTING CLASS III AND II GAMING

WHEREAS, the Menominee Indian Tribe of Wisconsin intends to apply to the Federal Bureau of Indian Affairs to have approximately 59.19 acres of land located within one-half mile from the corporate boundaries of the Town of Somers, and close proximity to the Village of Somers, placed into Trust for the Menominee Indian Tribe of Wisconsin for the purpose of conducting Class III and Class II gaming; and,

WHEREAS, the Tribe, through its authority, may only conduct gaming at the facility near Somers if it is placed into Federal Trust through application and approval by the Federal Bureau of Indian Affairs; and,

WHEREAS, as part of the application process, the impact of the establishment of such a gaming operation on the surrounding community must be addressed along with the efforts to address such impacts; and,

WHEREAS, The Village & Town of Somers has identified negative environmental, social, economic and other impacts to the community such as increased runoff to nearby private properties, the Kilbourn ditch, and Des Plaines River watershed, increased number of public safety calls involving the Village of Somers Fire & Rescue, increased traffic on our roadways, harm to the economic redevelopment efforts along the Interstate, the strain on funding for Village & Town services, and the net social costs to our community; and,

WHEREAS, the Menominee Indian Tribe of Wisconsin has not offered the Village & Town of Somers an agreement or plan to remediate the negative impacts the proposed gaming facility will bring to the community, as is required before placing such land into Federal Trust by the Bureau of Indian Affairs.

NOW, THEREFORE, BE IT RESOLVED, by the Village Board of Trustees & Town Board of Supervisors for Somers, that it asks the Bureau of Indian Affairs to reject the application made by the Menominee Indian Tribe of Wisconsin to place land near the Village & Town of Somers in Kenosha County into Federal Trust for the purposes of Class III and Class II gaming unless an Intergovernmental Revenue Sharing Agreement can be reached remediating the negative environmental, social, and economic impacts to Somers; and,

BE IT FURTHER RESOLVED, that the Village/Town Administrator is directed to send a copy of this Resolution to the Bureau of Indian Affairs, the Menominee Tribe and Authority, the Governor of the State of Wisconsin, the Kenosha County Executive, and City of Kenosha Mayor.

Passed and adopted this 9th day of June, 2026.

United States Department of the Interior Bureau of Indian Affairs
Minneapolis Regional Office Norman Pointe II
5600 West American Boulevard, Suite 500
Bloomington, MN 55437

Re: Comments and Objection to Section 151 Request to Acquire Land in Trust for Gaming for the Proposed Menominee Indian Tribe Hard Rock Casino Project proposed to be located in Kenosha, Wisconsin

Dear Mr. Wilkins,

On behalf of the Village & Town of Somers ("Somers"), we submit these comments in response to the Bureau of Indian Affairs notice regarding the request of the Menominee Indian Tribe to acquire the subject property in trust for gaming purposes.

According to the U.S. Department of Interior Bureau of Indian Affairs ("BIA") letter, Case Number 50694, the subject property (the "Property"), consists of four (4) parcels (Tax Parcel Numbers: 03-121-01-101-101, 03-121-01-101-102, 03-121- 01-101-422 and 03-121-01-101-0423), of approximately 59 acres in total land area, and is generally located in the southwest quadrant of I-94 and County Trunk Highway K in the City of Kenosha, Wisconsin.

Background

Somers respectfully objects to the proposed acquisition of the Property for the development of the Menominee Indian Tribe Hard Rock Casino Project (the "Project") and requests that the BIA fully consider the substantial adverse impacts to Somers that are reasonably foreseeable from the Project.

Somers is adjacent to the City of Kenosha and the Project site is in close proximity to the municipal boundary of the Village & Town. Particularly, the site is directly across from the Town of Somers at 120th Avenue (E Frontage Road) and 60th Avenue, which includes Ukes Harley Davidson, a popular destination with a 3,000-square-foot museum of vintage bikes, a 70-foot display tower, and a 60,000-square-foot facility.

Somers will experience the following negative environmental, social and economic impacts:

- The stormwater study should consider impacts of increased runoff on the Pleasant Prairie Mobile Home Park (11703 60TH ST), which is in the Town of Somers. Somers is concerned that existing flooding issues will be exacerbated by the development.

- Increased traffic on Somers roadways and to the overall (and regional) transportation systems. Given there is no gas station near the Highway 158 exit in Kenosha, the closest options north of the proposed site for gas and convenience stores along the I-94 corridor will be at Hwy S/142 and Hwy E in Somers.

- Increased use of Somers roadways will result in greater calls for public safety services, and strain funding for roadway maintenance.

- Overall negative effect on social and socio-economic costs to the overall community.

At the same time, Somers is not a party to the intergovernmental agreements that were described three (3) years ago in 2023 for the City of Kenosha and the County of Kenosha and Somers is not positioned to receive revenue sharing or other direct offsets to cover the increased costs and risks that would be imposed on our community.

If this project moves forward, then we urge the revenue sharing agreement to be expanded to include the Village & Town of Somers.

Information Requested by the BIA

To the extent the BIA requests specific fiscal and service information, the Village provides the following.

- **Annual property taxes currently levied on the subject property allocated to Somers.** The Property is located in the jurisdiction of the City of Kenosha. Somers levies no taxes on the Property.
- **Special assessments currently assessed against the property in support of Somers.** The Property is located in the jurisdiction of the City of Kenosha. Somers has no special assessments assessed against the Property.
- **Governmental services currently provided to the property by Somers:** The Property is located in the jurisdiction of the City of Kenosha. However, Somers has a Mutual aid agreement with the City of Kenosha, including the MABAS agreement, that could require Somers Fire/EMS Services to the Casino.
- **Zoning consistency:** The Property is located in the jurisdiction of the City of Kenosha; therefore, the City provides the zoning services, designations and regulations for the Property. However, Somers respectfully request that the BIA evaluate whether the intended casino use is consistent with surrounding land uses

and applicable zoning and land use standards, including compatibility with nearby residential areas and established community destinations.

Fiscal Impacts and Unfunded Local Costs

The Village requests that the BIA evaluate the full fiscal impact on Somers, including the shift of costs to Village taxpayers without a corresponding revenue source.

A major 24-hour gaming and entertainment complex is reasonably expected to increase demand for public safety and emergency response. Somers supports regional response through mutual aid and interjurisdictional frameworks. The BIA should evaluate how increased service demand and associated costs will be mitigated for neighboring communities that are not receiving direct revenue sharing.

Transportation and Traffic Impacts on Somers

The Village requests that the BIA evaluate traffic impacts on the regional transportation network, not solely the immediate, local site access roads, including but not limited to:

- I 94 Exit 337, County/State Trunk Highway KR / 195
- I 94 Exit 339, County Trunk Highway E
- I 94 Exit 340, County/State Trunk Highway S / 142
- I 94 Exit 342, State Trunk Highway 158

Stormwater, Retention, and Watershed Concerns

Somers has serious concerns regarding stormwater retention and detention planning and the potential for increased flooding and erosion impacts. The Project location is under the stormwater management regulations for the Des Plaines River Watershed, which are more stringent and more intensive than other Village/City of Kenosha watershed management regulations. The stormwater management for the Project will need to be designed in accordance with the most recent regulations. Somers request that the BIA require a clear demonstration that stormwater design will meet applicable standards and watershed criteria intended to protect already stressed water resources and to prevent adverse downstream impacts.

Land Use Compatibility and Community Character

The proposed casino and associated facilities would introduce intensive 24-hour use adjacent to established residential areas and existing community destinations. The Village

is concerned that the scale, intensity, and operational characteristics of the Project are incompatible with the character and land use patterns of the surrounding area and will create adverse, negative impacts that extend beyond the host jurisdiction.

Request for Full Consideration and Mitigation

For the reasons above, Somers request the following:

Somers respectfully request that the BIA deny the fee to trust acquisition for gaming purposes or, at minimum, require comprehensive analysis and enforceable mitigation addressing:

- Regional traffic impacts at I-94 Exits 337, 339, 340, 342 and connecting corridors.
- Public safety and emergency response demand and funding.
- Stormwater retention, detention, and downstream watershed impacts.
- Fiscal impacts on Somers, including loss of tax base and increased service costs.

Village & Town of Somers taxpayers cannot be held fiscally responsible for the additional public service requirements necessary to support public safety and safe travel through Somers. Hence, the Village & Town of Somers should be included in the revenue sharing agreement to offset the costs of additional services.

Please include this letter in the administrative record for Section 151 “Request to Move Land into Trust for Gaming”.

Respectfully submitted,

VILLAGE OF SOMERS
VILLAGE BOARD
MEETING ITEM MEMORANDUM

MEETING DATE: June 9, 2026

TO: Village President Stoner and Village Trustees

PREPARED BY: Jim Hurley, Administrator

AGENDA ITEM: #8 Motion to Approve Pilot Meeting Schedule and Amendment to Public Comment Guidelines

BACKGROUND:

At the June 2nd Work Session, the Village Board agreed to a pilot meeting schedule subject to additional opportunities for public comments.

From June – August 2026, there will be no Regular Board meeting on the fourth Tuesday of the month. If an item requires action prior to the Regular Board meeting, then staff will schedule a special meeting.

The Village Board and Administration agreed it would be prudent to add public comments to work sessions for the duration of the pilot meeting schedule. The public will have more opportunities for input, and both staff and the Board could engage in discussion about their concerns earlier in the process.

In August, Village staff will include the pilot meeting schedule and public comment guidelines on a Board work session for further discussion.

Excluding special meetings, here is the pilot meeting schedule:

Dates	Meeting Types
16-Jun	Work Session
7-Jul	Work Session
14-Jul	Board Meeting
21-Jul	Work Session
4-Aug	Work Session
12-Aug	Board Meeting
18-Aug	Work Session

SUGGESTED ACTION/ACTION REQUESTED/COMMENTS:

"Motion to Approve Amendment to the Public Comment Guidelines, and Pilot Meeting Schedule from June – August 2026"

ATTACHMENTS:

Public Comment Guidelines

Village of Somers Board of Trustees
Public Comment Registration to Participate

The Village of Somers Board of Trustees is interested in hearing from members of the public. In order to facilitate this process, a period of time has been set aside at the beginning of each Village Board meeting to allow members of the public to speak to the board on any topic.

The following guidelines are to be adhered to in order to ensure an opportunity to the general public to address their Village Board. Your cooperation in following these guidelines is appreciated.

(Please print answers to all questions)

1. Date: _____
2. Name: _____
3. Street Address: _____
4. City, State, Zip Code: _____
5. Telephone (optional): _____
6. Email (optional): _____
7. Item on Agenda you wish to Speak **OR** Topic **OR** Comments:

_____

_____

_____

(Please See Back of Page for Guidelines)

Guidelines

1. Members of the public wishing to address the Village of Somers Village Board are required to fill out a Registration for Participation in the Public Comment segment of the Board Agenda and present same to the Clerk prior to the start of the Village Board Meeting. As part of a pilot meeting schedule, the Village Board is opening public comments to Work Session Meetings to offer additional opportunities for public input from June – August 2026. All comments shall be subject to these guidelines.

2. Only those persons who have filled out the required registration form and presented to the Clerk will be allowed to address the Village Board.

3. A person may speak only once during the public comment period.

4. Each registrant will be allowed a maximum of five (5) minutes to address the Village Board on the topic they have listed on their Registration Form.

5. Village Board members are not to ask questions or engage in debate with the registrant.

6. Any materials which a person wish Village Board members to review must be given to the Clerk/Treasurer prior to the meeting for distribution

7. The President or other presiding officer at their discretion, may refer the registrants to staff for follow-up on any information presented.

The following Rules of Decorum shall apply to the Public Comment period of the Village Board Meeting:

- Proper decorum must be observed by speakers in providing testimony and remarks during any public comment period. Speakers are expected to conduct themselves with civility and to accord a measure of dignity and respect.

- The President shall keep control of the meeting and require speakers and audience to refrain from abusive or profane remarks, disruptive outbursts, applause, protests, or other conduct which disrupts or interferes with the orderly conduct of the business of the meeting.

- Personal attacks on the Village Board Trustees, Village staff, other officials or members of the public are not allowed.

- Engaging in such conduct will be grounds for ending a speaker's time at the podium or removal from the meeting room at the discretion of the President.

I have read and agree to the terms set above _____Date_____

Thank you for your Cooperation

VILLAGE OF SOMERS
VILLAGE BOARD
MEETING ITEM MEMORANDUM

MEETING DATE: June 9th, 2026

TO: Village President Stoner and Village Trustees

PREPARED BY: Wendy Burnette, Clerk-Treasurer

AGENDA ITEM: #9 Action on 2026 Mobile Home Park License Renewals from Oakdale Estates, Inc. & Oakdale Estates Mobile Home Park & Sales, 11515 1st Street; Mid City Mobile Homes, 1530 Sheridan Road; Alford Mobile Home Park, 1870 Sheridan Road; and Embassy Mobile Home Park, 1784 Sheridan Road

---

BACKGROUND:

Mobile Home Park Licenses expire on June 30th each year. Building and Fire Inspections have been successfully completed for the following Mobile Home Park Licenses:

- Oakdale Estates, Inc. & Oakdale Estates Mobile Home Park & Sales, 11515 1st Street;
- Mid-City Mobile Homes, 1530 Sheridan Road;
- Embassy Mobile Home Park, 1784 Sheridan Road; and
- Alford Mobile Home Park, 1870 Sheridan Road

PRIOR ACTION TAKEN:

These renewals were reviewed and discussed at our June 2nd Work Session.

SUGGESTED ACTION/ACTION REQUESTED/COMMENTS:

Staff recommends approval of the above referenced Mobile Home Park Licenses. In the event that the Village Board agrees with the suggested action, a suggested motion to approve would be as follows:

"*Motion to approve 2026 Mobile Home Park License Renewals from*

Oakdale Estates, Inc. & Oakdale Estates Mobile Home Park & Sales, 11515 1st Street; Mid City Mobile Homes, 1530 Sheridan Road; Alford Mobile Home Park, 1870 Sheridan Road; and Embassy Mobile Home Park, 1784 Sheridan Road"

Subject: Re: Mobile Home Yearly Applications

Wendy,

I am almost complete with my inspections and will send you an email when done. Do you have updated contacts for the parks? If so can you please send it to me.

Thanks,

Lieutenant Adam L. Pisula
Fire Inspector & Public Education
Somers Fire & Rescue

Subject: Mobile Home Yearly Applications

Good afternoon,

The Mobile Home applications for the 2026-2027 fiscal year have been sent out to the property owners. I plan to put these on the June 2nd Work Session for review. Could you let me know when their inspections have been completed.

Thank you.

VILLAGE OF SOMERS
VILLAGE BOARD
VILLAGE BOARD ITEM MEMORANDUM

MEETING DATE: June 9, 2026

TO: Village President Stoner and Village Trustees

FROM: Wendy Burnette, Clerk-Treasurer

AGENDA ITEM:

#10 Public Hearing on "Class A" and Class "A" Renewal Retail Alcohol Beverage License Applications

#11 Public Hearing on Class "B" and "Class B" Renewal Retail Alcohol Beverage License Applications

#12 Action on "Class A" and Class "A" Renewal Retail Alcohol Beverage License Applications

#13 Action on "Class B" and Class "B" Renewal Retail Alcohol Beverage License Applications

---

BACKGROUND:

Alcohol Licenses expire on June 30th each year. Establishments in the Village of Somers have submitted their Renewal Alcohol Beverage Retail License to meet statutory requirements for filing and publication. The list of applicants is included.

Building Inspections & Fire Inspections of all locations have been successfully completed, except for Jerry Smith which will be completed upon business opening for the season.

Attached is a spreadsheet showing the Calls for Service pertaining to liquor law violations.

PRIOR ACTION TAKEN:

The Renewal Applications were reviewed and discussed at our June 2, 2026, Work Session.

SUGGESTED ACTION/ACTION REQUESTED/COMMENTS:

In the event that the Village Board proceeds with suggested action, a suggested motion to approve would be as follows:

Motion to hold Public Hearing

Hold Public Hearing

Motion to Close Public Hearing

"Motion to approve "Class A" and Class "A" Renewal Retail Alcohol Beverage License Applications as listed in attached "Class A" and Class "A" Retail Alcohol License Application Renewal List for 2026-2027"

"Motion to approve "Class B" and Class "B" Renewal Retail Alcohol Beverage License Applications as listed in attached "Class B" and Class "B" Retail Alcohol License Application Renewal List for 2026-2027, subject to the following conditions only being applied to J. Smith Farm

ATTACHMENTS:

"Class A" and Class "A" Retail Alcohol License Application Renewal List for 2026-2027

"Class B" and Class "B" Retail Alcohol License Application Renewal List for 2026-2027

Sheriff Department Spreadsheet for Liquor Law Violations

Building Inspector alcohol inspection report

Fire Inspector alcohol licenses report

NOTICE OF APPLICATIONS FOR ALCOHOL LICENSES

Please take notice that in accordance with the provisions of Chapter 125.04(3)(g) of the Wisconsin State Statutes, the following alcohol license applications for the licensing year 2026-2027 have been filed with the Clerk of the Village of Somers, Kenosha County, Wisconsin:

Subject: Inspections

Good morning,

I know both of you are underway on completing the inspections for the alcohol permits. Also, there will be 3 establishments that will be applying for a recurring special event as well. Hawthorn Hollow, Pets, and Jerry Smith's. I will be bringing these special events to the board on April 21st. If you could let me know if you did an inspection on any of these establishments before then, I would appreciate it.

Also, I've attached an updated list of alcohol licenses. I think Somers Market and I-94 LLC was not on the list I originally sent you.

Thank you both for your help.

VILLAGE OF SOMERS
VILLAGE BOARD
VILLAGE MEETING ITEM MEMORANDUM

MEETING MEMO: June 9, 2026

TO: Village President Stoner and Village Trustees

FROM: Wendy Burnette, Clerk-Treasurer

AGENDA ITEM: #14 Action on Cigarette and Tobacco License Applications

---

BACKGROUND:

Cigarette & Tobacco Product Licenses expire on June 30th each year. Establishments in the Village of Somers have submitted their Cigarette & Tobacco applications. The list of applicants is included.

PRIOR ACTION TAKEN:

These applications were discussed at the June 2, 2026, Village Work Session.

SUGGESTED ACTION/ACTION REQUESTED/COMMENTS:

In the event that the Village Board proceeds with suggested action, a suggested motion to approve would be as follows:

"Motion to approve Cigarette and Tobacco License Applications for 2026-2027"

ATTACHMENTS:

VILLAGE OF SOMERS
VILLAGE BOARD
MEETING ITEM MEMORANDUM

MEETING DATE: June 9, 2026

TO: Village President Stoner and Village Trustees

PREPARED BY: Wendy Burnette – Clerk Treasurer

AGENDA ITEM: #17 Action on Operator's Licenses: Kyle Borg, Eli Curtin, Sydney Dill, Todd Fortier, Chase Gavinski, Lisa Hansen, Carleen Hoefler, Leslie Johnson, Angela Kaye, Carla Lamos, Caroline Lopez, Abigail Lopez, Patricia Luna, Steven Rickmon, Alaina Rossell, Amanda Rossell, Joanie Schoedl, Megan Schultz, Kaeleigh Sparesus, Destanie Warden, and Jennifer Vanderloop

---

BACKGROUND:

Kyle Borg, Eli Curtin, Sydney Dill, Todd Fortier, Chase Gavinski, Lisa Hansen, Carleen Hoefler, Leslie Johnson, Angela Kaye, Carla Lamos, Caroline Lopez, Abigail Lopez, Patricia Luna, Steven Rickmon, Alaina Rossell, Amanda Rossell, Joanie Schoedl, Megan Schultz, Kaeleigh Sparesus, Destanie Warden, and Jennifer Vanderloop have applied for operator's licenses for the Village of Somers.

No discrepancies with the application.

SUGGESTED ACTION/ACTION REQUESTED/COMMENTS:

Staff recommends approval. In the event that the Village Board agrees with the recommendation to approve: Operators' applications, a suggested motion would be as follows:

"Motion to approve Operator License for: Kyle Borg, Eli Curtin, Sydney Dill, Todd Fortier, Chase Gavinski, Lisa Hansen, Carleen Hoefler, Leslie Johnson, Angela Kaye, Carla Lamos, Caroline Lopez, Abigail Lopez, Patricia Luna, Steven Rickmon, Alaina Rossell, Amanda Rossell, Joanie Schoedl, Megan Schultz, Kaeleigh Sparesus, Destanie Warden, and Jennifer Vanderloop"

VILLAGE OF SOMERS
VILLAGE BOARD
MEETING ITEM MEMORANDUM

MEETING DATE: June 9, 2026

TO: Village President Stoner and Village Trustees

PREPARED BY: Kevin Poirier, Assistant Administrator

REVIEWED BY: Josh Sullivan, Public Works Superintendent

AGENDA ITEM: #18 Action on payment to H.J. Smet & Son Construction in the amount of $19,800.00 for repairs due to the April 14 tornado.

BACKGROUND:

On Apil 14, the Village was struck with an EF1 tornado that caused damage in the heart of the Village and at the Village/Town Hall. A full report is provided in the packet.

One of the Public Works garage doors was damaged and presented a safety hazard. An emergency repair was immediately scheduled and completed.

The week following the storm, an insurance adjuster was on site to assess the damages. Since then, Village staff has been in touch with insurance to review and approve the repairs as estimates were received.

Below is a list of the damages with costs:

- Ball diamond, privacy and garbage enclosure fence $3,475 *Estimate*
- Flagpole $3,650.00 **Paid**
- Public Works garage door $21,075.00 **Paid**
- Village Hall, salt shed and mower shed roof $19,800.00 *Billed*
- Musco lighting box for ball diamond lights $985.00 *Estimate*
- Playground Equipment *Waiting for estimate*
- Veteran's Memorial Pavilion Bench $777.73 *Billed*
- Steel fire door $6,250 *Estimate*

PRIOR ACTION TAKEN:

The Tornado damages were discussed at the May 5 Work Session.

FINANCIAL OR BUDGET CONSIDERATION:

These expenses were not budgeted for. The total estimated cost of the damage is $58,712.73. The Village has a deductible of $5,000.00. All repairs have been approved by the adjuster. Insurance is expected to reimburse the Village an estimate of $53,712.73.

Staff is asking the Board to approve H.J. Smet & Son Construction's invoice for $19,800.00.

SUGGESTED ACTION/ACTION REQUESTED/COMMENTS:

In the event that the Village Board agrees with the suggested action, a suggested motion to approve would be as follows:

> "*Motion to approve payment to H.J. Smet & Son Construction in the amount of $19,800.00 for repairs due to the April 14 tornado.*"

Summary of Event

Tornado impacts Somers

On Tuesday April 14th 2026 shortly after 9pm the Village and Town of Somers were impacted by and EF-1 tornado. The tornado appears to have begun causing damage just south of Oakdale Estates Mobile Home Park on the East frontage rd. The tornado tracked southeast and ending its main path of damage in the area of 22nd street and 47th ave. Although it is worth mentioning that there was wind damage noted all the way to Hillcrest mobile park at intersection of 39th Ave and 27th street.

Tree down on top of car.

Impact to Community

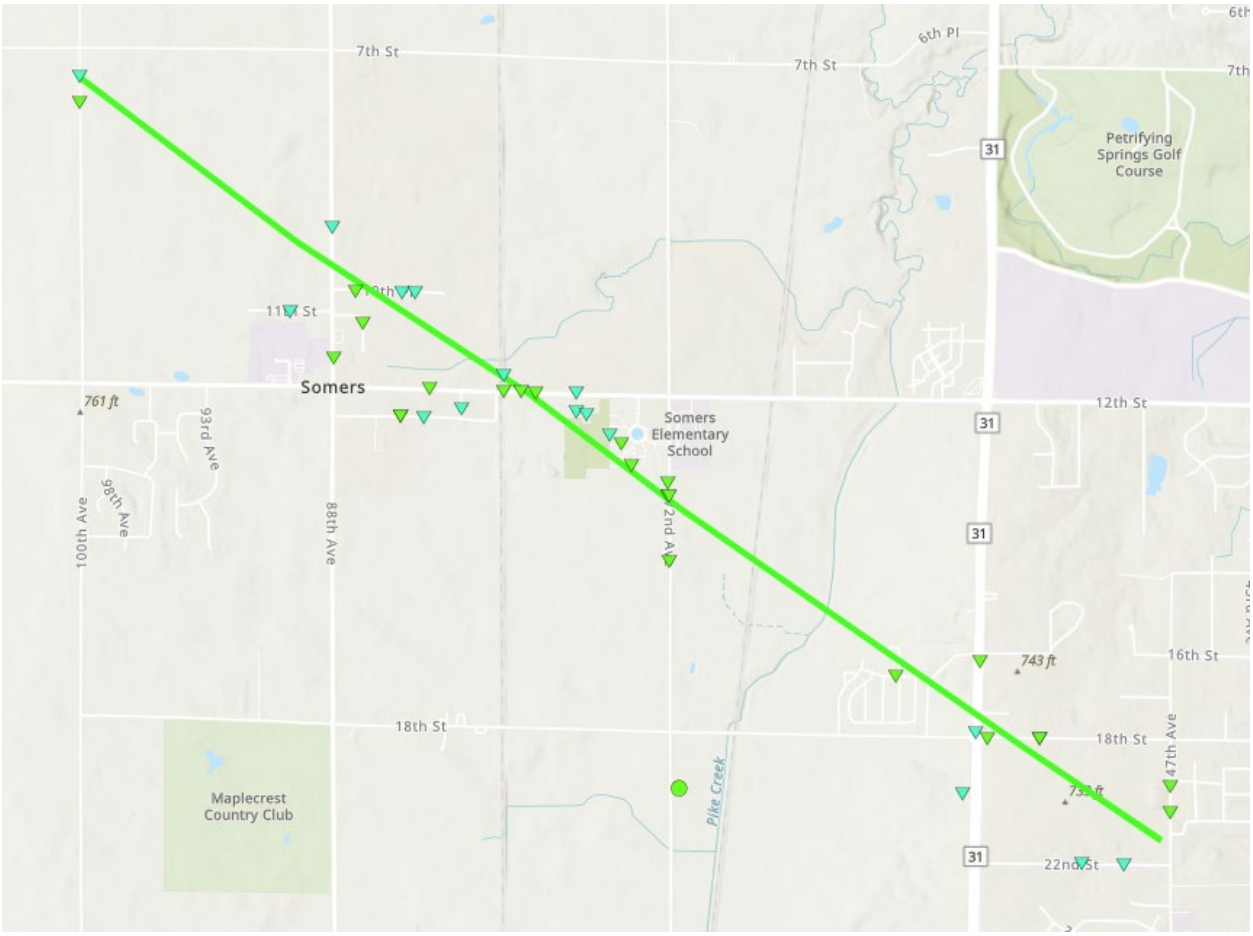
The EF-1 tornado significantly impacted the Somers community by restricting travel, taking out power to a large area and causing damage to property.

From the combination of trees and power lines that came down in the storm numerous roadways were closed and impassible. Below is a list of roadways that were closed during the storm

Hwy E from Hwy H to the Village Hall
Hwy EA from Hwy E to Hwy L
12th Place from Hwy H to 80th ave
Hwy H from Hwy E to Hwy A
100th Ave from Hwy E to Hwy A

The most important part of this event was the fact that we had no reported injuries.

National Weather Service Summary of the Tornado



Path Length: 3.98 miles
Path Width: 150 yards
Max Wind Speed: 105mph
Time Began: 9:02pm
Time Ended: 9:08pm

RESPONSE TO TORNADO

Agencies that Responded.

Somers Fire & Rescue – 18 personnel across 9 apparatus
Somers Public Works -7 personnel across numerous vehicles
Kenosha County Sheriff's Office – 22 Patrol officers
Kenosha County Highway Department
Kenosha County Joint Services Dispatch Center
Wisconsin State Patrol – 2 patrol officers
We Energies

Types of Calls or issues Responded to
Trees down (on roadways and homes)
Power Lines down and Power lines arching and Sparking.
Trees on fire from contact with power lines
Power outages
Reported damage to structures.(roofs, chimney and siding were most common reported damage points)
Traffic accidents/Incidents
Well being checks on people in the affected area

Damage to Village Property

The tornado tracked directly over the Somers Municipal Complex at 7511 12th street. Below is a list of damage noted, status update, available estimated costs to repair and some photos.

1. Salt Barn Roof & Downspouts - ***Waiting on estimate from Smet & Son Construction to replace the whole north slope of the roof and replace missing gutter/downspouts.***

2. Bay Door 3 - P.W. Garage - ***Repair is in process, McDonald Overhead Door Inc. secured and straightened door back out on 4/16/26. The door was found to be a complete loss, as well as the opener that was damaged when the door was damaged. Received quote for replacement bay door and opener on 4/16/26. Replacement bay door and opener have been ordered, and repairs will be made when parts come in. Estimated Cost $21,075.00***

3. Privacy Fence by Salt Barn - ***Estimate received from Perimeter Fence LLC on 4/26/26 to make repairs by pulling posts, digging, setting in concrete and reconstructing fence, waiting on response from insurance to act on estimate.***

4. Roof Leak over Fire Department on Village Hall Building - W***aiting on estimate from Smet & Son Construction to replace ridge cap that was blow off during storm***

5. Veteran's Memorial Pavilion Bench - W***aiting on estimate for replacement bench.***

6. Musco lighting box for ball diamond lights (struck by bleachers) - ***Musco technician surveyed damage on 4/16/26 to control box for the ball diamond lights, waiting on estimate back from Musco for repairs.***

7. Ball diamond fence - ***Estimate received from Perimeter Fence LLC on 4/26/26 to straighten four posts, install two pieces of new top rail, two new loop caps, and two new sleeves, tie and adjust wire as necessary, waiting on response from insurance to act on estimate. Estimate for all fence work $3475****

8. Garbage Enclosure Fence - ***Estimate received from Perimeter Fence LLC on 4/26/26 to install new industrial drop rod, waiting on response from insurance to act on estimate.*** **

9. Playground Equipment - **W*aiting on estimate from Smet & Son Construction to replace the two sections of roof that were blown off of playground equipment.***

10. Mower Shed - **W*aiting on estimate from Smet & Son Construction to replace missing soffit in matching color.***

11. Steel fire door between Fire Department and Public Works - **W*aiting on estimate from Smet & Son Construction to replace damaged north door.***

12. Flagpole - ***Estimate received from American Climbers LLC on 4/22/26 to replace damaged flagpole, waiting on response from insurance to act on estimate.*** Estimate $3650

Additional photos of damage around Somers

These photos document only some of the damage across the community.

Barn Door Damage

Tree Damage

Tree Damage

Damage to Savannah of Pikes Creek Construction site

The Savannah construction site also had its office trailer flipped over during the storm. Another item of note is the job site had a massive amount of blue insulation paneling blown away in the storm which all ended up east of Hwy 31 in the tree line and the construction company had a crew out there at 7AM the next morning picking it all up.

Takeaways and lessons learned from this event.

1. We learned that the tornado siren at the Village Hall did not function, and this was reported to the Kenosha County Emergency Management Team who owns and operates the sirens.

2. We learned that in a disaster like this with so many trees and power lines down our Fire Department UTVs played a crucial role in accessing areas a normal vehicle could not get to. Drone was also a valuable tool in an event like this.

3. Coordination of all agencies involved is crucial to operational success
    a. While a sheriff sergeant and I were able to run unified command on this event, had it been much bigger we would have needed representatives from County Highway, Somers Public Works, Village Administration, Village elected officials and We Energies at the command post or an Emergency Operations Center.
    b. Fire Departments and Sheriff's office train on unified command regularly but we need more involvement from others.

4. We need to work on a more reliable contact and communication plan within our Village.

5. We need to work on redundancies to critical infrastructure controls that we have at the village hall in the event the village hall is destroyed or inaccessible.

6. I plan work on establishing an available resource list for our community in case of another disaster and below are a few items of higher priority on my list.
    a. Light towers for illuminating large areas without power besides those mounted on fire engines.
    b. Access to additional heavy equipment for clearing debris.
    c. Agreements with local schools or churches to use their buildings as shelters if needed.
        i. Somers Elementary School
        ii. Shoreland HS
        iii. UW Parkside
