WORK SESSION: April 18th, 2023

PREPARED BY: Jason J. Peters, Administrator

AGENDA ITEM: #3 Discuss Plan Commission Recommendations (Funk Trust & Golden Oil)

- a. Request by: Arlo F and Jeanne L Funk Trust, 27822 Santa Anita Blvd, Wesley Chapel, FL 33544 (Owner), Paul Bhardwaj, Golden Oil LLC, 1170 22nd Ave., Kenosha, WI 53140 (Agent), requests a rezoning from A-1 Agricultural Preservation Dist. to A-4 Agricultural Land Holding Dist. & A-1 Agricultural Preservation Dist., on Tax Parcel #82-4-222-073-0102, located in the SW ¼ of Section 7, T2N, R22E, Village of Somers. *(For informational purposes only, this property is located at the NE corner of CTH E and East Frontage Rd.)*
- b. Request by: Arlo F and Jeanne L Funk Trust, 27822 Santa Anita Blvd, Wesley Chapel, FL 33544 (Owner), Paul Bhardwaj, Golden Oil LLC, 1170 22nd Ave., Kenosha, WI 53140 (Agent), requests approval of a Certified Survey Map (undated CSM prepared by Ryan Wilgreen of Excel Engineering) to create one (1) 25.00-acre Lot and one (1) 37.027-acre Lot from Tax Parcel # 82-4-222-073-0102, located in the SW ¼ of Section 7, T2N, R22E, Village of Somers. *(For informational purposes only, this property is located at the NE corner of CTH E and East Frontage Rd.)*

BACKGROUND:

The Plan Commission has previously reviewed a concept for Golden Oil's potential project at the NE corner of CTH E and East Frontage Road (82-4-222-073-0102). Golden Oil is still working on the official submission for the project, but in the mean time they are working with Funk Trust to purchase the land they will need. Golden Oil will be purchasing 25 acres and the Funk Trust will retain the remaining 37.027 acres. In order

to facilitate the sale, the lot will need to be split. The parties have submitted a request for rezone and a land division through CSM.

In this case, the rezone would be from A-1 to A-1 and A-4. The parcel retained by the Funk Trust would remain A-1 and the new 25-acre parcel would become A-4. As you may recall the Village established the A-4 district in 2021 to serve as placeholder for ag land that is split and no longer meets the requirements of A-1 though A-3.

UPDATE:

The Plan Commission heard the above-mentioned request at their April 10th meeting and held the requisite public hearings. No major issues were raised. The Plan Commission's recommendation was to approve the request for rezone (6-0) and to split the lot into two parcels through the proposed CSM (6-0).

COMMENTS:

Administration would point out that approval of this rezoning and CSM does not serve as the entitlements that Golden Oil will need for their proposed project. Again, this step merely serves as a vehicle for Golden Oil to purchase the land they want to use to move forward with their project. Staff would request that this matter be placed on our April 25th Board Meeting for action.

RE: Golden Oil LLC CSM & Rezoning

PROJECT/SITE INFO:

1. Petitioner/Agent: Paul Bhardwaj, Golden Oil LLC
2. Property Owner: Arlo F and Jeanne L Funk Trust
3. Location/Address: NE corner of CTH E & East Frontage Road
4. Tax key Number(s): 82-4-222-073-0102
5. Area: 62.02 acres
6. Existing Zoning: A-1 Agricultural Preservation Dist., FPO Floodplain Overlay Dist.
7. Proposed Zoning: A-4 Agricultural Land Holding Dist., A-1 Agricultural Preservation Dist., FPO Floodplain Overlay Dist.
8. Existing Land Use: Business/Industrial Park
9. Proposed Land Use: Business/Industrial Park

PROJECT OVERVIEW:

The Petitioner is proposing to split the subject parcel into one (1) 25-acre Lot and one (1) 37.027-acre remnant Lot via Certified Survey Map. The Petitioner intends to purchase Lot 1 of the CSM to be used as the site for potential future development, while Lot 2 of CSM would remain owned by the current parcel owner. A rezoning of Lot 1 of the CSM is being requested from A-1 Agricultural Preservation District to A-4 Agricultural Land Holding District.

PLANNER COMMENTS:

The A-4 zoning on Lot 1 of the proposed CSM will essentially act as a “placeholder” zoning district. A zoning change will eventually need to be requested from A-4 into an appropriate zoning category once specific plans and uses for the future development of the Lot are finalized by the Petitioner.

The submitted Certified Survey Map generally complies with the Village of Somers Land Division and Platting Control Ordinance. Noted below are several recommendations for revisions to be made to the CSM prior to its recordation in the Kenosha County Register of Deeds office.

STAFF RECOMMENDATION:

Should the Plan Commission choose to recommend approval of this project, staff would recommend the following conditions:

1. The Certified Survey Map shall be subject to the following:
 - a. Subject to revising the CSM to address review comments from the Wisconsin Department of Administration’s March 13, 2023 review letter.

COUNTY OF KENOSHA

Division of Planning & Development

Andy M. Buehler, Director
Division of Planning & Development
19600 75th Street, Suite 185-3
Bristol, WI 53104-9772
(262) 857-1895

- b. Subject to making the following revisions to the CSM:
1. Add date of map.
 2. Add the name & address of the developer/subdivider to Sheet 1 of the CSM.
 3. Add a note indicating the proposed Lots will be served by municipal sewer.
 4. On Sheet 1, revise the 100 year floodplain boundary line to match that as shown on FEMA Map No. 55059C0064D, specifically a portion of the northeast area of Lot 1 which is outside of Zone “AE”.
 5. On Sheet 1, add shading to areas indicated as Flood Zone “AE” (Flood Zone “X” areas are noted as “unshaded”, implying that other areas are shaded).
 6. On Sheet 2, revise the note to indicate the date wetlands were delineated by Evergreen Consultants LLC.
 7. Add existing and proposed topographic contours at vertical intervals of not more than two feet to the face of the CSM.
 8. Add a 50’x50’ vision corner easement at the southwest corner of Lot 1.
 9. Add the following vision corner easement note to the face of the CSM:
“No obstructions, such as structures, fences, parking or vegetation shall be permitted in any business, manufacturing or institutional district between the heights of two (2) feet and ten (10) feet above the plane through the centerline of the road within the triangular space formed by any two (2) existing or proposed intersecting street or alley right-of-way lines and a line joining points on such lines located a minimum of fifteen (15) feet from the road right-of-way. In the case of any federal, state or county highway or village road intersection with any other federal, state or county highway or village road or railways, the corner cutoff distances establishing the triangular vision clearance space shall be increased to fifty (50) feet.”
 10. On Sheet 6, remove the “Plan Commission Approval” signature area (only Village Board approval is required).
- c. Subject to sending an electronic copy of the revised CSM showing the aforementioned changes to the Kenosha County Department of Planning and Development office to receive sign-off prior to the surveyor preparing the recordable CSM document for signatures. The county contact is Luke Godshall who can be contacted at the following e-mail address: luke.godshall@kenoshacounty.org.
- d. No land division shall be recorded if any portion or part of the parent parcel has any unpaid taxes or outstanding special assessments without prior approval of the local and Kenosha County Treasurer.
- e. Subject to the Certified Survey Map (CSM) being recorded with the Kenosha County Register of Deeds within twelve (12) months of receiving approval from the Somers Village Board.

Note: Agricultural Use Conversion Charge

The use value assessment system values agricultural land based on the income that would be generated from its rental for agricultural use rather than its fair market value. When a person converts agricultural land to a non-agricultural use (e.g. residential or commercial development), that person may owe a conversion charge. To obtain more information about the use value law or conversion charge, contact the Wisconsin Department of Revenue's Equalization Section at 608-266-2149 or visit <http://www.revenue.wi.gov/faqs/slf/useassmt.html>.

Note that the act of rezoning property from an agricultural zoning district to a non-agricultural zoning district does not necessarily trigger the agricultural use conversion charge. It is when the use of the property changes from agricultural that the conversion charge is assessed.

SURVEYOR'S CERTIFICATE

I, Ryan Wilgreen, Professional Land Surveyor, hereby certify:

That I have surveyed, divided and mapped a parcel of land described below.

That I have made such Certified Survey under the direction of Arlo F. and Jeanne L. Funk Trust bounded and described as follows:

Part of the Northwest 1/4, Northeast 1/4 and Southeast 1/4 of the Southwest 1/4 of Section 7, Township 2 North, Range 22 East, Village of Somers, Kenosha County, Wisconsin being more particularly described as follows:

Commencing at Southeast corner of the Southwest 1/4 of said Section 7; thence North 01°-59'-09" West along the East line of said Southwest 1/4, a distance of 81.20 feet to the North right-of-way line of County Trunk Highway "E", said point being the point of beginning; thence continuing North 01°-59'-09" West along said East line, a distance of 2,570.30 feet to the Northeast corner of said Southwest 1/4; thence South 87°-47'-29" West along the North line of said Southwest 1/4, a distance of 1,151.84 feet to the East line of Certified Survey Map No. 1919, recorded in the Kenosha County Register of Deeds Office as Document No. 1038241; thence South 01°-44'-34" East along said East line, a distance of 600.00 feet to the South line of said Certified Survey Map; thence South 87°-47'-29" West along said South line, a distance of 505.73 feet to the Easterly right-of-way line of the East Frontage Road; thence Southeasterly 351.82 feet along said Easterly line on a curve to the left having a radius of 1,335.00 feet, the chord of said curve bears South 40°-14'-37" East, a chord distance of 350.80 feet; thence South 47°-47'-36" East along said Easterly line, a distance of 292.63 feet; thence North 42°-12'-24" East along said Easterly line, a distance of 10.00 feet; thence Southeasterly 325.41 feet along said Easterly line on a curve to the right having a radius of 1,475.00 feet, the chord of said curve bears South 41°-28'-23" East, a chord distance of 324.75 feet; thence North 87°-48'-38" East along said Easterly line, a distance of 34.30 feet; thence South 01°-59'-00" East along said Easterly line, a distance of 55.22 feet; thence Southeasterly 782.01 feet along said Easterly line on a curve to the right having a radius of 1,475.00 feet, the chord of said curve bears South 17°-26'-33" East, a chord distance of 772.88 feet; thence South 05°-18'-28" West along said Easterly line, a distance of 144.38 feet; thence South 05°-07'-00" East along said Easterly line, a distance of 280.35 feet; thence South 41°-56'-34" East along said Easterly line, a distance of 21.47 feet to the North right-of-way line of County Trunk Highway "E"; thence North 87°-49'-48" East along said North line, a distance of 628.00 feet; thence North 89°-22'-39" East along said North line, a distance of 140.58 feet to the point of beginning and containing 62.027 acres (2,701,904 sq. ft.) of land more or less.

That such is a correct representation of all the exterior boundaries of the land surveyed and the land division thereof made.

That I have fully complied with the provisions of Section 236.34 of the Wisconsin Statutes and the Subdivision Ordinance of the Village of Somers in surveying, dividing and mapping the same.

AGENDA ITEM: #4 Discuss Appointments to the Plan Commission

BACKGROUND:

The Plan Commission has three commissioners whose terms are set to expire. Plan Commissioners serve a 3-year term or until a successor is named. Commissioner Sandee Gardinier, Commission Donald Boxx and Alternate Commissioner Steve Raith, Jr's terms are set to expire on April 30th.

Donald Boxx is willing to serve another 3-year term. Sandee Gardinier will be stepping down.

Commissioner Fredrick will also be stepping down after being recently elected to the Village Board.

This leaves two commissioners and one alternate that needs to be appointed.

The following Somers residents are interested in serving as Commissioners:

Vince Chambers, who is a retired construction superintendent.

Gregg Thompson, who runs his own project management and construction consulting firm. Mr. Thompson is also a former member of KABA and RCEDC.

Troy Steege is a licensed Architect and Senior Project manager, specializing in the healthcare industry. He currently works for Advocate Aurora Health.

Peggy Kormlyo is the Director of Operations at Coldwell Banker Real Estate One. Ms. Kormlyo also serves as alternate for the Village's Board of Appeals.

Patrick Juliana, who was an alderman for the City of Kenosha for many years and has served an many committees (Board of Water Commission, Historical Preservation Commission, Licensing/Permit Committee, ...).

President Stoner and Administration have interviewed several of these candidates and have additional interviews scheduled the week of the 17th.

COMMENTS:

Administration would like to thank Ms. Gardinier, Mr. Fredrick, and Mr. Raith for their service to the Plan Commission.

Administration would also like thank all those have offered to serve.

Staff is requesting the re-appointment of Mr. Boxx and the appointment of two new members and an alternate are placed on the April 25th Board Meeting agenda.

AGENDA ITEM: #5 Discuss proposed Ordinance 2023-009, an Ordinance to repeal and recreate section 13.55 Appendix “A” of the Code of Ordinances of the Village of Somers relating to the amount of Sewer service charges

BACKGROUND:

Mount Pleasant has increased their sewer charges to \$140.00 per Quarter. Staff proposes an increase to the 257 customers located in the KR Utility District to reflect the increase we will be charged from Mount Pleasant.

The proposed KR Utility District rate will increase from \$134.95 per quarter to \$140.00 per quarter.

COMMENTS:

Staff would recommend placing this item on the April 25th Board Meeting

AGENDA ITEM: #6 Discuss steps to be taken to adopt FEMA’s recent Letter of Map Revision for the area known as Unnamed Tributary No. 8 to Kilbourn Ditch Overflow

BACKGROUND:

As a part of the Kwik Trip on 142 project, the Kwik Trip submitted engineering to FEMA to receive a Letter of Map Revision (LOMR). The process for the LOMR has been going on for several years.

UPDATE:

On March 28th, 2023, the Village received notice from FEMA that the requested revision would be effective August 16, 2023.

COMMENTS:

In order to be in compliance with NFIP the Village needs to take steps to adopt the revisions in our ordinance. The Village will need to hold a public hearing on the matter. The public hearing and been set for our April 25th Board Meeting. This public hearing has been properly noticed. Attorney Davison with the help of Planning Director Buehler has drafted proposed Resolution 2023-005 that will serve to document the steps taken to adopt the approved revisions and to notify the public of said revision. Finally, Attorney Davison has drafted proposed Ordinance 2023-010 that will serve to codify the approved revision.

RESOLUTION NO. 2023-005

The Village Board of Trustees of the Village of Somers, Kenosha County, Wisconsin, hereby resolves as follows:

WHEREAS, Kwik Trip, Inc. (hereinafter the "Developer") made application to the Federal Emergency Management Agency (hereinafter "FEMA") and the Wisconsin Department of Natural Resources (hereinafter "WDNR") for a Letter of Map Revision (hereinafter "LOMR") for floodplain management purposes; and

WHEREAS, on March 28, 2023, FEMA issued a LOMR Determination document for the area known as Unnamed Tributary No. 8 to Kilbourn Road Ditch Overflow, a true and correct copy of which is attached hereto, marked Exhibit "A" and incorporated herein by reference; and

WHEREAS, on the 25th day of April, 2023, following posting and publication of Notice, the Village Board held a public hearing for interested parties at the Village Hall; and

WHEREAS, it is the intention of the Village Board to adopt the recommendations contained in the LOMR, attached as Exhibit "A", subject to the conditions contained in the LOMR.

NOW, THEREFORE, BE IT RESOLVED, that the Village Board of Trustees of the Village of Somers, Kenosha County, Wisconsin, hereby adopts the findings and recommendations contained in the FEMA LOMR dated March 28, 2023 attached hereto and subject to the conditions contained therein. Specifically, the LOMR map revision has an effective date of August 16, 2023, and interested parties may request that FEMA reconsider the determination pursuant to the appeal process contained in the LOMR.

BE IT FURTHER RESOLVED, that the Village Clerk/Treasurer forward a copy of this Resolution to the developer, to FEMA and to the WDNR and that Village staff prepare a news release for publication in the Kenosha News and on the Village website that describes the revision and explains how the Village will provide data and help interpret the National Flood Insurance Program maps.

DETERMINATION

This document provides the determination from the Department of Homeland Security's Federal Emergency Management Agency (FEMA) regarding a request for a Letter of Map Revision (LOMR) for the area described above. Using the information submitted, we have determined that a revision to the flood hazards depicted in the Flood Insurance Study (FIS) report and/or National Flood Insurance Program (NFIP) map is warranted. This document revises the effective NFIP map, as indicated in the attached documentation. Please use the enclosed annotated map panels revised by this LOMR for floodplain management purposes and for all flood insurance policies and renewals in your community.

This determination is based on the flood data presently available. The enclosed documents provide additional information regarding this determination. If you have any questions about this document, please contact the FEMA Mapping and Insurance eXchange toll free at 1-877-336-2627 (1-877-FEMA MAP) or by letter addressed to the LOMC Clearinghouse, 3601 Eisenhower Avenue, Suite 500, Alexandria, VA 22304-6426. Additional Information about the NFIP is available on our website at <https://www.fema.gov/flood-insurance>.

COMMUNITY INFORMATION

APPLICABLE NFIP REGULATIONS/COMMUNITY OBLIGATION

We have made this determination pursuant to Section 206 of the Flood Disaster Protection Act of 1973 (P.L. 93-234) and in accordance with the National Flood Insurance Act of 1968, as amended (Title XIII of the Housing and Urban Development Act of 1968, P.L. 90-448), 42 U.S.C. 4001-4128, and 44 CFR Part 65. Pursuant to Section 1361 of the National Flood Insurance Act of 1968, as amended, communities participating in the NFIP are required to adopt and enforce floodplain management regulations that meet or exceed NFIP criteria. These criteria, including adoption of the FIS report and FIRM, and the modifications made by this LOMR, are the minimum requirements for continued NFIP participation and do not supersede more stringent State/Commonwealth or local requirements to which the regulations apply.

NFIP regulations Subparagraph 60.3(b)(7) requires communities to ensure that the flood-carrying capacity within the altered or relocated portion of any watercourse is maintained. This provision is incorporated into your community's existing floodplain management ordinances; therefore, responsibility for maintenance of the altered or relocated watercourse, including any related appurtenances such as bridges, culverts, and other drainage structures, rests with your community. We may request that your community submit a description and schedule of maintenance activities necessary to ensure this requirement.

COMMUNITY REMINDERS

We based this determination on the 1-percent-annual-chance flood discharges computed in the FIS for your community without considering subsequent changes in watershed characteristics that could increase flood discharges. Future development of projects upstream could cause increased flood discharges, which could cause increased flood hazards. A comprehensive restudy of your community's flood hazards would consider the cumulative effects of development on flood discharges subsequent to the publication of the FIS report for your community and could, therefore, establish greater flood hazards in this area.

Your community must regulate all proposed floodplain development and ensure that permits required by Federal and/or State/Commonwealth law have been obtained. State/Commonwealth or community officials, based on knowledge of local conditions and in the interest of safety, may set higher standards for construction or may limit development in floodplain areas. If your State/Commonwealth or community has adopted more restrictive or comprehensive floodplain management criteria, those criteria take precedence over the minimum NFIP requirements.

We will not print and distribute this LOMR to primary users, such as local insurance agents or mortgage lenders; instead, the community will serve as a repository for the new data. We encourage you to disseminate the information in this LOMR by preparing a news release for publication in your community's newspaper that describes the revision and explains how your community will provide the data and help interpret the NFIP maps. In that way, interested persons, such as property owners, insurance agents, and mortgage lenders, can benefit from the information.

This determination is based on the flood data presently available. The enclosed documents provide additional information regarding this determination. If you have any questions about this document, please contact the FEMA Mapping and Insurance eXchange toll free at 1-877-336-2627 (1-877-FEMA MAP) or by letter addressed to the LOMC Clearinghouse, 3601 Eisenhower Avenue, Suite 500, Alexandria, VA 22304-6426. WORK SESSION: April 18th, 2023

TO: Village President Stoner and Board of Trustees

PREPARED BY: Jason J. Peters, Administrator

AGENDA ITEM: #8 Discuss proposed Resolution 2023-006, An Order to Removing Territory from the Village of Somers Utility District No. 1

BACKGROUND:

In December of 2022, upon the request of the Nehls family, the Village released a conservation easement placed on the CSM that that split the original lot. The Nehls wanted to remove the conservation easement on Lot 3 so that a portion of their now combined lot could be sold to their neighbors, the Bonns. When Nehls attempted to record a lot line adjustment to deed the small portion of land to the Bonns, the County informed the Village that the Bonns parcel was not located in UD #1. The small strip of land (.321 acres) attached to the Bonns parcel will need to be removed from UD #1 so the deed can be recorded.

UPDATE:

On March 14th, Administrator Peters executed a petition to request the removal of the small portion of the lot from UD#1 and set a public hearing for April 25th. The attached notice of the public hearing has been properly published.

COMMENTS:

A public hearing on this matter will be held at our April 25th Board Meeting. The proposed resolution to facilitate the removal has been drafted and Staff requests that this be placed on our April 25th agenda for action.

**PETITION TO REMOVE CERTAIN
TERRITORY FROM THE VILLAGE OF
SOMERS UTILITY DISTRICT NO. 1**

STATE OF WISCONSIN)
) SS.
COUNTY OF KENOSHA)

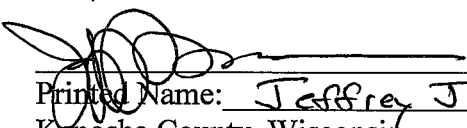

The undersigned, Jason Peters, after being first duly sworn, states as follows:

1. That your petitioner is the Village Administrator for the Village of Somers and is fully familiar with all of the matters averred to herein.
2. That the public health, safety, convenience or welfare of the Village will be promoted by the removal of the real property described hereafter from the Village of Somers Utility District No. 1.
3. That the property to be removed at the request of your petitioner is in the Village of Somers Utility District No. 1, is a very small strip of land consisting of approximately 0.321 acres which is the subject of an administrative lot line adjustment. This land currently is in the Utility District but is being attached to a parcel which is not currently in the Utility District.
4. That the property to be removed from the District is a portion of Parcel No. 83-4-223-064-0213.
5. That your petitioner makes this Petition for the purpose of requesting that the Village Clerk/Treasurer schedule and advertise a public hearing to be held before the Village Board of Trustees considering the petitioner's request; further, your petitioner requests that the Village Clerk/Treasurer mail a notice of the requested removal from the Utility District to the State of Wisconsin Department of Commerce and the State of Wisconsin Department of Natural Resources more than ten (10) days prior to the public hearing to be scheduled.

Dated this 14th day of March, 2023.

RESOLUTION NO. 2023-006

**AN ORDER REMOVING TERRITORY FROM THE
VILLAGE OF SOMERS UTILITY DISTRICT NO. 1**

The Village Board of the Village of Somers, Kenosha County, Wisconsin, sitting as commissioners of the Village of Somers Utility District No. 1 hereby orders the removal of certain real property, described with more particularity herein, as part of the Village of Somers Utility District No. 1 following public hearing conducted by the Board on April 25, 2023. In arriving at this decision, the Village Board finds as follows:

- i. That the Petitioner, Jason Peters, Village Administrator, filed his Petition on March 14, 2023, for removal of certain real property from the Village of Somers Utility District No. 1 pursuant to Wisconsin Statutes.
- ii. That following the filing of this Petition, the Village Clerk/Treasurer scheduled and advertised as a Class 1 Notice of Public Hearing to be held before this Board on April 25, 2023, concerning the Petitioner's request; further, that the Village Clerk/Treasurer mailed a notice to the Department of Commerce and the Department of Natural Resources more than ten (10) days prior to the Public hearing and that no adverse comments were received by either of those departments.
- iii. That a public hearing was conducted as described above by this Board on April 25, 2023.
- iv. That the public health, safety, convenience or welfare will be promoted by the removal of the real property described hereafter from the Village of Somers Utility District No. 1.
- v. That the legal description for the property to be removed from the District described on the attached Exhibit "A".

Based upon the foregoing,

IT IS HEREBY ORDERED that copies of this Order establishing this removal from the Village of Somers Utility District No. 1 shall be filed by the Village Clerk/Treasurer with the Department of Natural Resources and that a true and correct copy of this Order shall be recorded in the office of the Register of Deeds for Kenosha County, Wisconsin.

AGENDA ITEM: #9 Discuss possible support for changes to the requirements for
"Class B" liquor licenses transfer between municipalities

BACKGROUND:

The City of Burlington recently found itself short one “Class B” liquor license when two new businesses were looking to open in the city. Burlington reached out to neighboring communities within a two-mile radius (as allowed by statute) to see if they could buy an unused license.

“A municipality may transfer up to 3 reserve "Class B" licenses to a municipality that is contiguous or within 2 miles of the transferring municipality. The transferring municipality establishes the initial issuance fee in an amount not less than \$10,000. Upon receipt of the issuance fee, the receiving municipality shall pay the issuance fee to the transferring municipality. (sec. 125.51(4)(e), Wis. Stats.)”

None of their neighboring communities were willing to sell a license and Burlington lost one of the businesses.

The City of Burlington reached out to State Representative Robin Vos to petition a change to the area municipalities can ask for a Class B Liquor license. The change would increase the area from two miles to the entire county.

Early this month, the Village received the attached letter from the Mayor of Burlington seeking the support of other communities in their efforts.

COMMENTS:

Staff is seeking direction from the Board as to whether they are willing to sign the attached letter of support from the City of Burlington.

ATTACHMENTS:

Letter from City of Burlington Mayor Jeannie Hefty

My name is Jeannie Hefty. I am the Mayor of the City of Burlington, Wisconsin.

I am asking you to join me in requesting the State to allow municipalities to request a transfer of a "Class B" liquor licenses throughout the entire county, rather than being limited to a 2-mile contiguous radius.

Our City was recently faced with two solid applicants wishing to apply for a "Class B" liquor license; however, the City only had one license remaining. This resulted in our Council having to choose a "winner" and a "loser". Both had solid business plans. Both would have been welcomed and successful in our community.

We are a growing community! Unfortunately, the need to grow our population by another 500, won't happen in time to support the addition of potential new businesses and restaurants wanting to come here. Your communities are growing too! The current limitations on "Class B" liquor licenses prevent new businesses and stunts economic growth!

Representative Robin Vos will assist municipalities and will pursue this at the State level, but we need your support. I am requesting signatures from all levels of government in the County and have attached a document to provide your signature.

Please pursue this as soon as possible, and help to make a difference to expand future growth and economic development in our counties and municipalities.

In closing, I don't want any municipality to go through what the City of Burlington did.

Thank you!

Sincerely,

A handwritten signature in black ink that reads "Jeannie Hefty". The signature is fluid and cursive.
