**Village of Somers
Proceedings from the Regular Board Meeting March 11, 2025**

President Stoner called the meeting to order at 5:30 p.m.

President Stoner led the Pledge of Allegiance.

Present: President George Stoner, Ben Harbach, Jack Aupperle, Scott Fredrick, and Jackie Nelson. Joe Smith appeared virtually. Absent: Trustee Karl Ostby. Also present: Administrator Jason Peters, Clerk/Treasurer Wendy Burnette, Assistant Administrator Kevin Poirier, and Attorney Jeff Davison.

Consent and Approval of Minutes of Regular meetings on February 25th, 2025, Vouchers dated February 27th, 2025 and March 6th, 2025, January 2025 Building Report and February 2025 Building Report

Trustee Nelson moved to approve Minutes of Regular meetings on February 25, 2025, Vouchers dated February 27, 2025, and March 6, 2025, January 2025 Building Report and February 2025 Building Report.

Trustee Harbach wanted to know what All Hands Fire was for \$2,413.00. Chief Andersen of the Fire Department said he would investigate it and would let him know.

Seconded by Trustee Smith.

Motion carried a 6-0 vote.

Correspondence:

Administrator Peters read an email from Bryan Zarnicky, a resident from Somers. Mr. Zarnicky wanted to compliment President Stone for making the Village of Somers a wonderful and proud place to live, as Mr. Zarnicky has lived in the Village for over 20 years. He also thanked Administrator Peters for being very responsive to a concern he had about the lighting near the interstate.

Citizens Comments

Ted Terletzky 9015 12th Street- Discussed #7. He wanted to first apologize for his outburst the last time he spoke. He mentioned that his comments tonight are not to attack anyone on the board, however the information he will speak about stems back to Mastercraft. Ted and neighboring residents believe the board has issues enforcing ordinances fairly and equally across the board. He asked why Mastercraft's project is not a development, but Shoreland High School's project is considered a development when they are just expanding and not building. The ordinances state that any artificial change to improve or unimproved real estate includes but not limited to the construction of buildings. That sounds like a development. That's not a homeowner coming to the Village of Somers wanting to build a house. That is a developer who builds and sells homes. The houses being built on E is a

development. The board has been adamant on how we need to follow ordinances. Mr. Terletzky agrees with Section 13.7(2) that assessments are based on frontage, but feels the board is neglecting 7.07(I) which reads; nothing in here should prevent the utility to entering into the developer's agreement with the owner of the benefited partials or parcels which may provide amongst other things for different methods of calculations or in position of special assessments for extension of water surfaces. He continued; to the benefit of partial or parcels included, but are not limited to, provisions or oversized mains deferred assessments, posting of security to ensure future performance. His initial interpretation to this would be if you want to oversize the main, then that assessment can be a special assessment. But it's not limited to that. It says you can do it how you want.

Mastercraft was granted 90-ft variances for their lots and we have ordinances in this town through development mapping 100ft minimum lot. Why is it okay to give a developer a variance of 90ft? We set ordinance standards. These are just examples.

The current assessment that the homeowners will be paying for the \$1.5 million project, taking out Shoreland and Mastercraft, will be \$1.115 million of the \$1.5 Million project. That is 75% of the project. To give an idea there are 3 homeowners that are paying almost \$60,000 for their assessment. Mastercraft is paying \$70,000. I asked a realtor if my property value will increase when the water main is installed. The relator said it would not. Mr. Terletzky asked who will benefit the most from this project. He mentioned Shoreland would a little, but it would be Mastercraft benefiting the most. He continues to state that at previous meetings that certain board members commented how this project is a direct benefit to the village and water utility district. He said that when that is the case, and it benefits the Village, assessment to the property owners is not legal.

In closing, Mr. Terletzky mentioned he does have a solution. He asked why we couldn't do something similar to the current stormwater charge that all residents pay for on their tax bills. The money would sit in a fund until it is needed for these types of Village projects.

Andy Doerflinger 3549 Monica Dr. Franksville, WI - He has been a Board member for over 5 years and an Alumni of Shoreland High School. He has 3 children that graduated from Shoreland High School. He believes in their mission and the project. It is a growing ministry. There is a big demand for getting the project started by early April, they are just waiting on the development agreement. Most of their money comes from donations and not from taxpayers. The school's operating budget is on choice dollars that the state provides, and full tuition is paid by students. Although they support the vision of the Village, they don't need water for the development. Shoreland would like to make it for the betterment of all those involved. Shoreland is prepared to pay the frontage assessment. He would like to ask that all trustees vote to move forward with water main extension and find a funding source, within the Village, if Shoreland is expected to pay all upfront costs. The extra cost would be a significant burden to Shoreland.

Thomas Schermerhorn 100 Camelot Dr. Fond du Lac, WI - Architect of Shoreland High School. Discuss #7 Fire Protection on site. He spoke to the engineers of the Shoreland project, and it was explained that they don't need water for the project. The engineers explained that they can run off the system that they currently have. In the worst case, a fire service would need about 90,000 gallons of water for 60 minutes of time. They have more

than enough water stored on site. Per what Andy Doerflinger discussed, any more funds that must go into the water lines, would take away from the bottom line of the project.

President and Trustee Comments:

President Stoner mentioned he did a ride along with the Sheriff's Department and everyone loves the new moving radars.

The current village projects are coming along, and exciting things are coming to the Village of Somers. More meetings will be held in the coming weeks.

Action on whether to direct staff and Attorney Davison to include the installation of the proposed water main for Shoreland Lutheran High School Federation Development Agreement for proposed project on Parcel # 82-4-222- 084-0272

Trustee Aupperle moved to approve staff and Attorney Davison to include the installation of the proposed water main for Shoreland Lutheran High School Federation Development agreement for proposed project on Parcel # 82-4-222-084-0272.

Seconded by President Stoner

Trustee Harbach asked Mr. Doreflinger if Shoreland is supposed to support all the funds vs. the neighbors along the way. He also asked what topic of the project they were voting on.

Administrator Peters mentioned this is still in the works and has been discussed in previous work sessions. The Village is looking into borrowing money or use Village funds for upfront assessment. Then the rates, payment schedules and interest rates will be figured out at future work sessions. The vote, tonight, will direct Administrator Peters and Attorney Davison to work on Shoreland's development agreement that will include the water main. This vote does not mean it is a done deal because they can go with the development agreement and decide not to follow through. For the benefit of the homeowner, if it came to the point that the water main is going in and getting assessed, they will have assessment hearings that will be part of the process. This will not be the last time they will be able to give an input or give ideas to how it should work.

Action on request to Vacate Public Right of Way from Bear Development on former Willow Creek Condominium project (Parcels 82-4-222-151-0560, 82-4-222-151-0561, 82-4-222-151-0563)

Trustee Aupperle moved to approve the request to Vacate Public Right of Way from Bear Development on former Willow Creek Condominium project (Parcels 82-4-222-151-0560, 82-4-222-151-0561, 82-4-222-151-0563).

Administrator Peters mentioned that the village has been working with Bear for a while on the Potential Willow Creek project behind the lift station. In 2006, the village approved development agreement with Bear for Willow Creek condominium project. In 2009, they recorded a CSM that was supposed to be for the dedicated right of way of the cul-de-sac. They re-worked through their site and came to the Plan Commission meeting with the new concept in 2024. They will be filling their entitlement soon to do a public hearing for their development. This development will be 70 single family lots. They need to vacate their old Right Away.

Trustee Harbach asked if the current dirt that is on the property was going to be incorporated into their buildings and if the elevation would be as is or is it going to go down?

President Stoner mentioned they have a lot of dirt because the water table is so high and they want to put in basement.

Administrator Peters said it will be graded down a little bit. Especially on the sides.

**VILLAGE OF SOMERS
VILLAGE BOARD
MEETING ITEM MEMORANDUM**

MEETING DATE: March 25, 2025

TO: Village President Stoner and Board of Trustees

PREPARED BY: Wendy Burnette, Clerk-Treasurer

AGENDA ITEM: #7 Public Hearing on Sazon Tacos & Tequila Class “B” and “Class B” Liquor License Application

#8 Action on Sazon Tacos & Tequila Class “B” and “Class B” Liquor License Application

BACKGROUND:

Sazon Tacos & Tequila, LLC is opening a restaurant in the Village of Somers. They have submitted their application for a Liquor License. Sazon Tacos will be operated by the same owners as Oakfire Pizzeria.

They have passed both their building and fire department inspections.

PRIOR ACTION TAKEN:

**VILLAGE OF SOMERS
VILLAGE BOARD
MEETING ITEM MEMORANDUM**

MEETING DATE: March 25th, 2025

TO: Village President Stoner and Village Trustees

PREPARED BY: Jason J. Peters, Administrator

AGENDA ITEM: #9 Discussion and possible action on final payment request from August Winters & Sons, Inc. for the 45th Avenue Lift Station and 63rd Avenue Lift Station 2023 UD #1 Capital Improvement Project in the amount of \$46,796.50

BACKGROUND:

On March 28th, 2023 the Village Board awarded the contract to refurbish our 45th Avenue (Eaglewood) Lift Station and 63rd Avenue (Lichter) Lift Station to August Winter & Sons, Inc. The contracted amount for the project is \$1,649,700. This amount was allocated to these projects in the approved 2024 CIP. The funds will be coming from UD #1 cash.

Administration, Public Works and August Winters met in April of 2023 for a pre-construction meeting. At this time, it was agreed that formal construction would not start until 2024. A formal neighborhood meeting was held in February with residents of the Lichter and Eaglewood Subdivisions to inform them of the project and the timeline. Work began in March of 2024.

In January, Change order #1 removed \$17,000.00 from the contract price for items that were not needed. Both projects are still under budget. In March Change Order#2 was approved which added \$5,554.00 to the contract for software to relay the necessary SCADA data to the Village. The new contract price is \$1,638,254.00.

The Board has previously approved the following payments

- | | | |
|---------------------------|----------------------------------|--------------|
| • 1 st request | February 13 th , 2024 | \$85,575.68 |
| • 2 nd request | February 13 th , 2024 | \$56,449 |

• 7 th request	August 14 th , 2024	\$103,750.00
• 8 th request	August 14 th , 2024	\$180,450.00
• 9 th request	January 14 th , 2024	\$59,500.00
• 10 th request	January 14 th , 2024	\$10,800.00
Payments to date		\$1,591,457.50

PRIOR ACTION TAKEN:

Engineer Biwer made the Board aware that these items were forthcoming during his Engineer’s Report to the Board during our Work Session on March 5th.

SUGGESTED ACTION/ACTION REQUESTED/COMMENTS:

Engineer Snyder has reviewed the request and recommends approval. In the event that the Village Board agrees with the suggested action, a suggested motion to approve would be as follows:

#9

“Motion to approve final payment request from August Winters & Sons, Inc. for the 45th Avenue Lift Station and 63rd Avenue Lift Station 2023 UD #1 Capital Improvement Project in the amount of \$46,796.50”

Delivered Via Email: Wburnette@somers.org

Subject: 45th Avenue and 63rd Avenue Lift Station Replacements-- Payment Recommendation

Dear Ms. Burnette,

Enclosed is a final payment application including sworn statement, lien waivers, warranty and bond, equipment guarantees, and consent to final payment from the bonding company, from August Winters & Sons, Inc., Contractor, for work performed for the 45th Avenue and 63rd Avenue Lift Station Replacement Project. The following is our opinion of the amount due and payable to the Contractor:

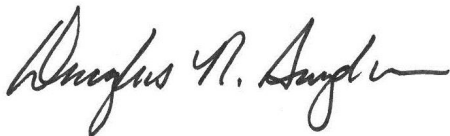

Contract Price after CO 2	\$1,638,254.00
Less Amount Retained	<u> (\$0.00)</u>
Subtotal	\$1,638,254.00
Less Previous Payments	<u>(\$1,591,457.50)</u>
Total Amount Due for Final Payment	\$46,796.50

We recommend payment to August Winters & Sons, Inc. for \$46,796.50.

The total cost associated with the 63rd Avenue Station is \$516,277.00; the total cost associated with the 45th Avenue Station is \$1,121,977.00. See the continuation sheet of the enclosed payment application for a further breakdown; the deduct change order was split equally between each site.

Re: **Somers 45th & 63rd Lift Stations – AWS#68123**

This letter is written to officially notify Village of Somers that the two lift station upgrades project at 45th and 63rd Lift Stations installed by August Winter & Sons have been completed, tested and startup accomplished.

We guarantee all work for a period of three years except for mechanical and electrical equipment which shall be guaranteed for a period of two years. These items include HVAC equipment, pumps, controls panels, and generators. The warranty period shall begin on 08/31/2024. Should you encounter any problems, please contact our 24-hour Service Department at (920) 739-8881.

We would like to point out that normal maintenance items such as changing filters, tightening belts, greasing and lubrication are not covered under warranty and are the owner's responsibility. Your Operation and Maintenance Manual prepared by our company, lists normal maintenance items in detail.

In closing, we want to express our appreciation for having been selected for the project and we look forward to working with you in the future.

Sincerely,
August Winter & Sons, Inc.

**VILLAGE OF SOMERS
VILLAGE BOARD
MEETING ITEM MEMORANDUM**

MEETING DATE: March 25th, 2025

TO: Village President Stoner and Village Trustees

PREPARED BY: Jason J. Peters, Administrator

AGENDA ITEM: #10 Discussion and possible action regarding proposals for
Village/Town Administrator Executive Recruitment Services

BACKGROUND:

Per Administrator Peters' letter to the Board dated March 14th, 2025, his last day with the Village and Town of Somers will be April 29th. At our Joint Village & Town Closed Work Session, Administrator Peters provided the Board with potential options on how to proceed with an Executive Search. The general consensus was to move forward with selecting a firm to conduct the search for the Village and Town. Administrator Peters has requested proposals from several of the firms selected.

The firms that have been asked to provide proposals are as follows:

- McMahan;
- MGT (formerly GovHR); and
- Public Administration Associates, LLC.

McMahan is the firm that recently completed the Fire Department Operations Study & Staffing Needs Assessment for the Village. Their firm also offers executive recruiting services. As of the time of this memorandum, McMahan's formal proposal was not available but will be added to the packet before our meeting on March 25th. This was due to Administrator Peters not being able to connect with their firm to give them time to get their materials into the packet. McMahan will be at our meeting on the 25th to present their proposal.

MGT (formerly GovHR) is a very reputable firm that conducts searches in the Midwest and Nationwide. As Administrator Peters explained, he has personally worked with MGT in the past and found their executive search process to be very thorough and professional. MGT also offers interim administration services until the Village and Town

can hire a full-time replacement. MGT's full scope recruitment proposal is estimated at \$25,000. The MGT proposal is attached. MGT will be at our meeting on the 25th to present their proposal.

Public Administration Associates is a Wisconsin company that has been assisting municipalities in their executive searches since 1998. Public Administration Associates completed a Class and Compensation study for the Village and Town of Somers in 2019. As Administrator Peters explained, he has personally worked with Public Administration Associates in the past and found their executive search process to very thorough and professional. Public Administration Associates' full scope recruitment proposal is estimated at \$16,500. Public Administration Associates' proposal is attached. MGT will be at our meeting on the 25th to present their proposal

PRIOR ACTION TAKEN:

The Board reviewed possible search firms in their Joint Village & Town Closed Work Session on March 18th.

SUGGESTED ACTION/ACTION REQUESTED/COMMENTS:

Administrator Peters has placed this on the agenda as a discussion and possible action item, given that the Board wants to move quickly on this matter. If the Board is comfortable with making a decision at Tuesday's Board meeting, then a motion can be brought to select one of the three proposals. If the Board wishes to further interview any of the firms, then the Board can choose to bring said firm back to our Work Session on April 2nd.

Jason Peters
Village/Town Administrator
Village & Town of Somers
7511 12th Street
Somers, WI 53171

Dear Mr. Peters:

As the nation's leading provider of executive recruitment and selection solutions, MGT Impact Solutions, LLC (MGT) is uniquely well qualified to partner with the Village & Town of Somers ("Village & Town") to exceed all your expectations on this Village/Town Administrator recruitment project.

HOW CAN WE SUPPORT YOU?

Following are the keys to our successful methodology:

- **Industry Leadership:** With 1,500 completed executive recruitment engagements in 45 states and a diverse range of communities, we're a proven leader in local government recruitment. Over 40% of our clients are repeat customers, and 94% rate our performance as **Outstanding**.
- **Subject Matter Expertise:** Our team includes former local government leaders, human resources experts, and industry veterans, ensuring that we understand the specific challenges and opportunities in government, education, and nonprofit sectors. We leverage our deep understanding of organizational culture and sector-specific needs to identify top-tier candidates who align with our clients' goals.
- **Top Talent, Guaranteed:** We use advanced recruitment strategies, including social media outreach and video interviews, to thoroughly vet candidates. Our Recruitment Brochures showcase in-depth knowledge of your community, and we conduct extensive reference checks and background searches to ensure we recommend the best fit.
- **True Partnership:** From start to finish, we collaborate closely with you. You'll have full access to candidate resumes, and we'll offer honest assessments to ensure the perfect match. Whether evaluating internal candidates or exploring non-traditional talent, we're committed to your complete satisfaction.
- **Flexible Solutions:** We offer customizable recruitment services to suit any budget, from Full Executive Searches to Limited Scope and Virtual Recruitments. Our proposal outlines the service scope that best meets your needs.

Our comprehensive and tailored executive recruitment services are designed to meet the unique needs of your organization. With a proven track record, a focus on quality, and a commitment to partnership, we ensure that every step of the process is handled with expertise and care. Whether you're seeking top-tier talent, exploring non-traditional candidates, or working within a specific budget, we are here to deliver the best fit for your organization. We look forward to

Why Choose MGT?

- ✓ **Unparalleled Expertise and Level of Service.** With 1,500 completed executive recruitment engagements in 45 states and a diverse range of communities, we are a leader in the field of local government recruitment and selection. More than 40% of our clients are repeat clients, and 94% of surveys show our overall performance rating as **Outstanding** – indicating a plan to use our services and/or highly recommend us in the future.
- ✓ **Delivering the Best.** We conduct comprehensive **due diligence** on candidates. Our state-of-the-art process includes extensive use of social media for candidate outreach and video interviews with potential finalist candidates, ensuring successful recruitment for the Village & Town. We will provide important information to potential candidates by developing a high quality, thorough Recruitment Brochure reflecting the knowledge we will have about your community and your organization. Before we recommend a candidate to you, **we ask probing questions** that will verify their expertise during video interviews, reference calls, and news and social media searches.
- ✓ **A Partner from Start to Finish.** We are your partners in this important process. We welcome you to review all the resumes we receive, and we will share our honest assessment of the candidates. Our goal is your **complete satisfaction**. We can strategize with you on a variety of approaches for meeting your recruiting needs, including evaluation of internal candidates, identification of non-traditional candidates who meet your recruitment requirements, succession planning, and mentoring options. We are committed to working with you to find the candidate that is the best fit for your position.
- ✓ **Services for Any Budget and Any Search.** We strive to meet the specific needs of our clients by offering several options for recruitment services to meet your budget. Our services range from Full Executive Recruitments to Virtual Recruitments and even simply Professional Outreach for those who want to reach a broader network. In the following proposal, we have provided the scope we believe **best fits your needs**.

Success Stories

"We were very impressed by how efficient they worked, their methodology, their insight, and their professionalism.

I would highly recommend MGT and hope to do business with them again for our next study."

Project Approach & Methodology

A detailed plan specifically designed for you.

Project Understanding

A typical recruitment and selection process takes approximately 175 hours to conduct. At least 50 hours of this time is administrative, including advertisement placement, reference interviews, and due diligence on candidates. We believe our experience and ability to professionally administer your recruitment will provide you with a diverse pool of highly qualified candidates for your position search.

Our clients are informed of the progress of their recruitment throughout the entire process. We are always available by mobile phone or email should you have a question or need information about the recruitment.

Success Stories

“The coordination by the consultant helped to alleviate the workload of internal staff. Consultant was willing to customize the process based on the City’s needs.”

Proposed Work Plan

PHASE 1 - POSITION ASSESSMENT, ANNOUNCEMENT, & BROCHURE

MGT treats each executive recruitment as a transparent partnership with our client. We believe in engaging with stakeholders early in each recruitment process to fully understand the challenges and opportunities inherent in the position. Understanding the organizational culture is critical to successful recruitment. We gain this insight and information through meetings (one on one and in small groups), surveys, and a review of relevant information. This information is reflected in a polished marketing piece that showcases the organization and the area it serves.

INFORMATION GATHERING

- One-on-one or group interviews with stakeholders identified by the Village & Town.
- Community forums (in-person or via video) can be used to gather input and feedback.
- Surveys can be used for department personnel and/or the community to gather feedback.
- Conversations/interviews with department heads.

A combination of the items listed above can be used to fully understand community and organizational needs and expectations for the position (this proposal includes 12 hours of meetings – additional meetings can be added for a fee of \$195/hour plus actual expenses if incurred). One organizational survey is included. A Community Survey can be conducted for \$2,500. Community Forums are conducted as an optional service.

Development of a **POSITION ANNOUNCEMENT** to be placed on websites and social media.

Development of a thorough **RECRUITMENT BROCHURE** for Village & Town review and approval.

Agreement on a detailed **RECRUITMENT TIMETABLE** – a typical recruitment takes between 90 to 120 days from the time you sign the contract to the appointment of the finalist candidate.

PHASE 2 - ADVERTISING, CANDIDATE RECRUITMENT, & OUTREACH

We make extensive use of social media as well as traditional outreach methods to ensure a diverse and highly qualified pool of candidates. Our website is well known in the local government industry – we typically have 17,000+ visits monthly to our website and career center. Additionally, our weekly jobs listings are sent to over 8,000 subscribers.

Phase 2 will include the following:

- MGT consultants will personally identify and contact potential candidates.
- Develop a database of potential candidates from across the country unique to the position and to the Village & Town, focusing on:
 - Leadership and management skills.
 - Size of organization.
 - Experience in addressing challenges and opportunities also outlined in Phase 1.
 - The database will range from several hundred to thousands of names. An email campaign will be sent to each potential candidate.
- Placement of the Position Announcement:
 - Public sector online Career Centers.
 - **Social media:** LinkedIn (posted on MGT Executives LinkedIn news feeds to reach over 50,000 connections), Facebook, and Instagram.
 - MGT will provide the Village & Town with a list of advertising options for approval.

PHASE 3 - CANDIDATE EVALUATION & SCREENING

Phase 3 will include the following steps:

- Review and evaluation of candidates' credentials with consideration to the criteria outlined in the Recruitment Brochure.
- Candidates will be narrowed down to those that meet the qualification criteria.
- Candidate evaluation process:
 - Completion of a questionnaire explaining prior work experience.
 - Live Video Interview (45 minutes to 1 hour) conducted by consultant with each finalist candidate.
 - References provided by the candidate are contacted.
 - Internet/Social Media search conducted on each finalist candidate.

All resumes will be acknowledged and inquiries from candidates will be personally handled by MGT, ensuring the Village & Town's process is professional and well regarded by all who participate.

PHASE 4 - PRESENTATION OF RECOMMENDED CANDIDATES

Phase 4 will include the following steps:

- MGT will prepare a Recruitment Report presenting the credentials of those candidates most qualified for the position.
- MGT will provide an electronic recruitment portfolio which contains the candidates' materials along with a "mini" resume for each candidate so that credentials are presented in a uniform way.
- The Village & Town will receive a log of all applicants and may review resumes if requested.
- Report will arrive in advance of the Recruitment Report Presentation.

MGT will meet with the Village & Town to review the recruitment report and provide additional information on the candidates.

PHASE 5 - INTERVIEWING PROCESS & BACKGROUND SCREENING

Phase 5 will include MGT completing the following steps:

- Develop the first and second round interview questions for Village & Town review and comment.
- Coordinate candidate travel and accommodations.
- Provide Village & Town with an electronic file that includes:
 - Candidates' credentials.
 - Set of questions with room for interviewers to make notes.
 - Evaluation sheets to assist interviewers in assessing the candidate's skills and abilities.

Background screening will be conducted along with additional references contacted:

MGT BACKGROUND SCREENING

| | – Employment Verification |

PROJECT APPROACH & METHODOLOGY

MGT will work with you to develop an interview schedule for the candidates and coordinate travel and accommodations. MGT consultants will be present for all the interviews, serving as a resource and facilitator.

MGT will coordinate a 2-Step Interview process. The first-round interviews will include four to five candidates. The second-round interviews will include two or three candidates. MGT will supply interview questions and an evaluation form.

In addition to a structured interview, the schedule can incorporate:

- Tour of Village & Town facilities.
- Interviews with senior staff.

PHASE 6 - APPOINTMENT OF CANDIDATE

- MGT will assist you as much as requested with the salary and benefit negotiations and drafting of an employment agreement, if appropriate.
- MGT will notify all applicants of the final appointment, providing professional background information on the successful candidate.

Project Timeline

Based on our experience in conducting similar projects, we anticipate the proposed project can be completed within 14 weeks of project initiation as illustrated in **Exhibit 1**.

MGT's Recommendations to RECRUIT and Retain Top Talent

RESPONSIVE: ROLL OUT THE WELCOME MAT! Candidates may struggle with relocating for a new position as well as being concerned about the “fit” with a new team. It is important to include costs for your top candidate(s) to travel to your location for the final interview process. Our team will work with you to create a welcoming, informative experience for both you and the candidate(s).

ENCOURAGING: Employee development is a must-have in today's market. Candidates appreciate their employer investing in them as much as they are investing themselves in the job. Consider “up and coming” candidates who may lack one or two preferred skills and assign a mentor or invest in a course to encourage their professional development. A mentor/training program will also help establish a peer-to-peer connection and make them feel more comfortable about the transition to a new job.

COMPETITIVE: Our team will guide you in offering a competitive market rate compensation and competitive benefits package attractive to today's candidates. Competitive employers must include relocation expenses and should consider signing bonuses and temporary housing.

RESOURCEFUL: Review your job description – do you need public sector experience? Are the years' experience you list essential, or can that be preferred? Consider a more resourceful approach when reviewing candidates' experience. Carefully assess requirements such as Certified Public Accountant (CPA), Professional Engineer, and others that will limit your talent pool – consider using the word “ideally” or “preferably.”

UNDERSTANDING: These past few years have, without a doubt, changed the work environment. Competitive employers have recognized this and are offering flexible/hybrid/remote work options. Those positions that offer this type of flexibility consistently receive a better candidate response rate.

INNOVATIVE: Think about what is unique and attractive about your community and organization and highlight that in your recruitment efforts. Talk about organizational culture and what your values are with respect to your employees. MGT will assist you in being as innovative as possible in your outreach.

TRANSPARENT: Some states now mandate listing salary ranges in any job advertisements or postings. More and more companies are showing at least a salary range in their postings to promote pay transparency and equity. Post the salary range you will use for hiring – it is public information. If we make it too difficult for candidates to find out the salary, they will move on to the next opportunity.

Cost Proposal

*Defined by Impact. Driven by People.
Dedicated to the Community.*

We take pride in customizing our client’s needs – and we will work with you to ensure our fees are aligned with your expectations and budget.

Full Scope Recruitment

Summary of Costs	Price
Recruitment Fee	\$21,500
Recruitment Expenses (not to exceed) Expenses include candidate due diligence efforts	\$1,500
Advertising <i>*Advertising costs over \$2,000 will be placed only with client approval. If less than \$2,000, client is only billed for actual cost.</i>	\$2,000*
TOTAL:	\$25,000**

***Consultant travel expenses are not included in the price proposal. If the consultant is requested to travel to the client, travel costs will be estimated at time of request. Only actual expenses will be billed to the Village & Town for reimbursement.*

Possible in-person meetings could include:

- Recruitment brochure interview process
- Presentation of recommended candidates
- Interview Process

Any additional consultant visits requested by the Village & Town (beyond the three visits listed above) will be billed at \$195/hour. The additional visits may also result in an increase in the travel expenses billed.

*This fee does not include travel and accommodation for candidates interviewed.

Payment for Fees & Services

- **1st Invoice:** Contract Award (40% of the Recruitment Fee).
- **2nd Invoice:** Presentation of Candidates (40% of the Recruitment Fee & expenses incurred to date).
- **Final Invoice:** Completion of Recruitment (20% of the Recruitment Fee plus all remaining expenses).

Payment of invoices is due within 30 days of receipt.

Our Guarantee – Full Scope Recruitment

MGT is committed to assisting our clients in the selection and appointment of a suitable candidate. In today's competitive hiring market, it is critical to move expeditiously to interview candidates and make key hiring decisions; failure to do so may result in the loss of desirable candidates. If the client has not responded to multiple requests for decisions and/or guidance within six weeks of candidates being presented for interview or following finalist interviews, MGT may choose to cancel the contract and bill the client for work completed to date.

It is MGT's goal to provide the client with well-qualified candidates for their hiring needs. If the client rejects the list of qualified candidates and/or fails to negotiate in good faith and come to terms for hiring a candidate and instead chooses to readvertise the opportunity, MGT reserves the right to charge additional consulting fees commensurate with the additional work requested.

Upon appointment of a candidate, MGT provides the following guarantee: should the selected and appointed candidate, at the request of the Village & Town or the employee's own determination, leave the employ of the Village & Town within the first 12 months of appointment, we will, if desired, conduct one additional recruitment for the cost of expenses and announcements. Reimbursable expenses may be incurred should the recruitment process require the consultant to travel to the Village & Town. To engage in this guarantee, the request must be made within six months of the employee's departure.

Limited Scope Recruitment Scope of Services

MGT offers the option for a "Limited Scope" recruitment process, designed for clients who require only partial assistance with recruitment. The first several components of a Limited Scope Recruitment Process and a Full Recruitment and Selection Process are similar.

The consultant will:

- Meet with employees and other stakeholders.
- Develop a Recruitment Flyer for the position.
- Develop and place position announcements on websites and on social media outlets.
- Conduct outreach for candidates via personal and electronic contacts (up to 6 hours).
- Review all resumes.
- Conduct video interviews.
- Complete references for select candidates.
- Prepare an electronic Recruitment Portfolio that includes the information on the recommended candidates. This will be provided to the Village & Town a few days in advance of a candidate presentation meeting.

At this point in the Limited Scope Recruitment process, MGT involvement will be complete.

The key differences between the Limited Scope Recruitment Process and the Full Recruitment and Selection Process are:

- A Recruitment Flyer, instead of a full Brochure, will be prepared for the Limited Scope Recruitment.
- MGT will not conduct background investigations (court, credit, motor vehicle records checks, etc.)
- MGT will not offer any guarantee regarding the selection and tenure of the candidates. MGT will bill the Village & Town immediately after presentation of candidates and will not redo the recruitment and selection process if the Village & Town is unsuccessful in hiring someone from the group of recommended candidates.
- Development of interview questions, second interview questions, and assistance with contract negotiations will be the responsibility of the Village & Town.

Limited Scope Recruitment Price Proposal

Summary of Costs	Price
Recruitment Fee	\$20,000
Advertising <i>*Advertising costs over \$2,000 will be placed only with client approval. If less than \$2,000, client is only billed for actual cost.</i>	\$2,000*
TOTAL:	\$22,000**

***Consultant travel expenses are not included in the price proposal. If the consultant is requested to travel to the client, travel costs will be estimated at time of request. Only actual expenses will be billed to the Village & Town for reimbursement.*

Possible in-person meetings could include:

- Recruitment brochure interview process
- Presentation of recommended candidates

Any additional consultant visits requested by the Village & Town (beyond the two visits listed above) will be billed at \$195/hour. The additional visits may also result in an increase in the travel expenses billed.

*This fee does not include travel and accommodation for candidates interviewed.

Payment for Fees & Services

- **1st Invoice:** Contract Award (50% of the Recruitment Fee).
- **Final Invoice:** Completion of Recruitment (50% of the Recruitment Fee plus all expenses).

Payment of invoices is due within 30 days of receipt.

Optional Assessment Center

Qualified Assessors to Identify Your Needs.

If requested, as part of the selection process MGT will perform an Assessment Center for candidates selected for interview. An Assessment Center is a useful tool for identifying and evaluating the strengths, areas for improvement, skills, and abilities of the candidates. MGT consultants will prepare all the related documents and scoring sheets for any three of the following exercises to be completed on the day of the Assessment Center:

- In-Basket Exercise
- Written/Oral Presentation Exercise
- Leaderless Group Exercise
- Structured Interview
- Budget Analysis Exercise
- Personnel Issues Exercise
- Other exercise of the Village & Town’s choosing

Optional Assessment Center Fee: **\$9,500***

**The fee assumes the Assessment Center will be held on one day and be limited to no more than five candidates. For each additional day to accommodate more than five candidates, the fee increases by \$1,500.*

The fee includes the preparation of the Assessment Center material and a written report outlining the findings of the Assessment Center as reported by the Assessors. We will assist the Village & Town in selecting three professionals from outside the organization to serve as Assessors in evaluating each candidate’s strengths and weaknesses. The Village & Town will be responsible for paying a \$1,200 stipend to each Assessor for a one-day assessment center, and \$1,800 per Assessor for a two-day assessment center (plus reimbursement of any transportation or other travel expenses).

The fee does not include lodging, travel, and meal expenses for the MGT facilitator(s) to be on-site for the Assessment Center. Actual expenses will be billed in addition to the fee. If the Village & Town chooses to add the Assessment Center option, the fees and expenses for this will be billed separately.

Optional Services

The Nation's Recruitment Leader.

Having a solid plan in place is the only way to reach your long-term vision and goals, and we want to see you thrive. Our variety of services can be personalized to make the most of your strengths and give you an extra layer of support where you need it. We offer the following additional service offerings:

GOVTEMPSUSA

Need an Interim? GovTempsUSA, a division of MGT, specializes in the temporary placement of positions in local government. The firm offers short-term assignments in addition to long-term and outsourced arrangements. Our placement professionals at GovTempsUSA have typically enjoyed distinguished careers in local government and displayed a commitment to public service throughout their careers.

RECORDED ONE-WAY VIDEO INTERVIEW OF CANDIDATES

Candidates we recommend for your consideration can complete a one-way video interview with three to five questions that will be recorded and which you can review electronically at your convenience. This can occur prior to making your decision on which candidates to invite for an interview at a cost of \$100 per candidate.

LEADERSHIP/PERSONALITY TESTING

MGT has experience working with a wide variety of leadership and personality assessment tools, depending on the qualities and experiences the Village & Town is seeking in their candidates. These include but are not limited to Luminaspark, Caliper, DISC, and others. Depending on the evaluation type, selected fees can range between \$100 to \$500 per candidate.

360° EVALUATION

As a service to the Village & Town, we offer the option of providing you with a proposal for a 360° performance evaluation for the appointed position at six months into their employment. This evaluation will include seeking feedback from both elected officials and department directors, along with any other stakeholder the Village & Town feels would be relevant and beneficial. This input will be obtained on a confidential basis with comments known only to the consultant. If you are interested in this option, MGT will prepare a proposal for this service.

Appendix A. Consultant Biographies

Biographies of our proposed consultants are provided on the following pages.

Michael Brethorst
Senior Consultant

Michael Brethorst is a seasoned municipal management professional with over 20 years of experience and a robust background in executive recruiting, strategic planning, and community engagement. As a Senior Consultant at MGT, Mike leverages his extensive expertise to offer executive recruiting, compensation studies, and mentorship. His career has spanned various high-impact roles, including Chief Administrative Officer, Director, and Chief of Staff. A retired Lieutenant Colonel in the Army National Guard with 22 years of service, Mike has demonstrated leadership and dedication through multiple overseas deployments and as a Counterintelligence Special Agent.

In addition to his governmental roles, Mike actively contributes to his community as an Adjunct Professor. His experience includes managing departments such as Health and Human Services, facilities and construction, human resources, public utilities and public works, economic development, driving industrial park expansions, business retention, and downtown revitalization. Mike's commitment to professional development is evident in his mentoring of staff and young professionals. His broad experience, both domestically and internationally, showcases his ability to lead and inspire teams towards achieving significant community and organizational goals.

CITY MANAGER OSHKOSH, WISCONSIN

MGT

CITY MANAGER OSHKOSH, WISCONSIN

THE POSITION IN BRIEF

The City Manager is responsible for the city's day-to-day operations, including budgets totaling approximately \$174 million as well as a workforce of approximately 650 employees in a financially stable organization. The City Council is looking for a forward-thinking, collaborative, and transparent professional with strong communication skills to lead Oshkosh forward to a successful future.

THE COMMUNITY

The [City of Oshkosh](#) is an award-winning community in the heart of the Fox River Valley, approximately 90 miles north of Milwaukee and 50 miles south of Green Bay. Oshkosh is a progressive and participative community that offers small-town friendliness with big city features and a high quality of life for people of all ages and interests. As a great place to live with an excellent school system, outstanding health care facilities, abundant entertainment opportunities, and a low cost of living, Oshkosh is an ideal destination.

On the western shore of the state's largest inbound body of water, Lake Winnebago (217 square miles), Oshkosh is also banked by the Fox River and Lake Butte des Morts (8,800 acres). Oshkosh has been ranked in Money Magazine's "Top 100 Best Places to Live in the United States." Business Week placed Oshkosh among "The Best Places to Raise Your Kids."

Oshkosh's history dates back thousands of years as the ancestral home to the Ho-Chunk and Menominee tribes who lived in the area prior to European settlers. The establishment and growth of the lumber industry after the Civil War fueled the development of Oshkosh. The structures which now make up the city's historic areas are a result of the capital and materials generated by the lumber and associated wood manufacturing industries.

Oshkosh was incorporated in 1853. The 1859 arrival of rail transportation provided an important opportunity to meet the demands of a larger and rapidly growing construction market. By 1870, Oshkosh had become the third largest city in the state.

Today, the City encompasses 24 square miles. It is the largest municipality in [Winnebago County](#), with a population of more than 66,000. The Oshkosh/Appleton/Neenah CSA has a population of more than 415,000. It is the state's ninth largest city. Oshkosh is served by US Highways 41 and 45, the Appleton International Airport, and General Mitchell International Airport in Milwaukee.

The City's median household income is \$59,186, and the median home value for owner-occupied units was \$156,900 based on 2022 U.S. Census data. The largest employment base is manufacturing followed by education. Top employers are Oshkosh Corporation, Amcor, Silver Star Brands/Miles Kimball Company, US Bank, Oshkosh Area Public Schools, the University of Wisconsin-Oshkosh, Aurora Medical Group, and Winnebago County.

Oshkosh has a strong tradition of education and offers one of the finest school systems in the nation. The schools, both public and private, offer a variety of educational programs. Through thirteen elementary schools, five middle schools, two high schools, one charter school and an eAcademy, Oshkosh Area School District educates over 9,000 students from pre-kindergarten through grade 12. In addition, there are several private schools in Oshkosh. The [Fox Valley Technical College](#), headquartered in Appleton, has two locations in Oshkosh. Additionally, the [University of Wisconsin Oshkosh](#) is the third largest university in the state with a total enrollment of approximately 13,000 students. The University, founded in 1871, serves as an arts and cultural center for the 1.2 million citizens of northeast Wisconsin.

Oshkosh currently has two hospitals, Ascension NE Wisconsin and Aurora Medical Center with another health campus managed by Froedtert ThedaCare Health under construction. Other amenities in and around the community include more than 400 acres of parks and natural resource areas, numerous marinas and boat launches, the Fox River Riverwalk, Menominee Park Zoo, Pollock Community Water Park, Children's Amusement Center, and the Oshkosh Senior Center.

Attractions include the [Experimental Aircraft Association Aviation Center and Museum](#), the [Grand Opera House](#), Leach Amphitheater, Menominee Park and Zoo, Military Veterans Museum, Opera House Square, [Oshkosh Public Museum](#), Paine Art Center and Gardens, and the [Oshkosh Public Library](#). Many more year-round activities and events, such as the [Oshkosh Farmer's Market](#), can be found highlighted by the [Oshkosh Convention and Visitors Bureau](#).

The National Basketball Association's Milwaukee Bucks development team, the [Wisconsin Herd](#), play at the downtown [Oshkosh Arena](#).

This statue commemorates Oshkosh (b. 1795), Chief of the Menominee Nation from 1827 until his death in 1858. It is largely in relation to the conflicts of settler colonialism in which Oshkosh is remembered by history. From the War of 1812, Black Hawk War of 1832, where he sided with the Americans, to the numerous treaty negotiations he effected on behalf of the Menominee Nation, his tenure as Chief was shaped by proceedings enforced on Indigenous peoples by an organized settlement campaign. While the Menominee and Ho-Chunk Nations had by the nineteenth century a long history of coexisting in adjacent lands, reaching agreements through a principle of land sharing, Chief Oshkosh was forced to negotiate agreements with the U.S. government under a principle of Indigenous removal that saw the Menominee, like so many Indigenous nations in North America, forcibly displaced from and dispossessed of their traditional territories. But under his leadership, the Menominee successfully resisted a proposed total removal to lands in Minnesota, securing instead in 1854 a 276,460-acre parcel of land along the Oconto and Wolf Rivers. It is there, in what became the modern Menominee Reservation, that Oshkosh died in 1858.

THE MUNICIPAL ORGANIZATION AND THE CITY MANAGER POSITION

Oshkosh has operated under the Council-Manager form of government since 1956. The [City Council](#) (also referred to as the Common Council) consists of seven members, each of whom is elected, at large, for staggered two-year terms. The Mayor, who is both a member and serves as the head of the council, is elected every other year by the voters.

The City Manager is appointed by and serves at the discretion of the City Council. The retiring City Manager has been in this position since 2008. The City Manager is responsible for the general administration of the City of Oshkosh, program coordination and development, preparation of City Council agendas, special staff reports, annual budget, and an annual statement of city programs and priorities. As Chief Executive Officer, the City Manager is directly responsible to the City Council for all operations of the City, as well as implementation of policies and programs adopted by the Council. The City Manager appoints all officers and employees of the City with the exception of the Police Chief, Fire Chief, and Library Director. Several groups of employees of the City, including Fire, Police, and Transit are organized into labor unions for purposes of conducting collective bargaining with the City.

Oshkosh, Wisconsin, is a full-service city. City departments include the City Clerk's Office, Finance Department, Fire Department, Administrative Services Department, Legal Department, Parks Department, Community Development Department,

Police Department, Public Works Department, Public Museum and Transportation Department. A complete description of each department can be found [using this link](#).

The City has a [FY 2024 budget](#) of more than \$174 million, including a general fund of more than \$56 million. The City's leadership has worked hard in the last several years to upgrade the City's infrastructure. As a result the City is at 43% of its debt limit. The City has aggressively used tax incremental financing to advance its economic development goals.

The City has an AA3 bond rating from Moody's Investors Service and an equalized value of \$6.3 billion. By policy, the City's leadership is committed to maintaining a reserve that is 16% of the general fund revenues; current reserves exceed almost twice that amount.

The City Council has adopted a budget that maintains current services for the citizens. The budget reflects the priorities of the Council outlined in the [Strategic Plan](#) including Enhancing Quality-of-Life Services and Assets, Improving and Maintaining Infrastructure, Supporting Economic Development, Strengthening Neighborhoods, Providing a Safe, Secure, and Healthy Community, and Enhancing the Effectiveness of City Government.

A short promotional video about the city can be found here: [Welcome to Oshkosh](#)

CHALLENGES AND OPPORTUNITIES

In the development of this profile, the Mayor, City Council, city staff leadership, and community leaders identified these issues and initiatives that will need the next City Manager's attention in the upcoming years. In addition, an on-line survey available on the City's website was also conducted for this recruitment, the results of which will be available soon.

Fiscal Management. The City's latest [Annual Comprehensive Financial Report](#) demonstrates a strong financial position, with its fund balance exceeding 31%. Like all Wisconsin municipalities, however, the City's finances are tested by various parameters guiding the generation of new sources of revenues, as well as State of Wisconsin's tax levy limits. Correspondingly, infrastructure and capital improvements are always at the forefront of attention, and in Oshkosh a robust list of projects is always under consideration. The next City Manager can expect to work closely with the elected and appointed officials on seeking out new sources of revenue as well as continuing to find ways to deliver City services most efficiently. The new City Manager can also anticipate guiding the City to meet the city's infrastructure goals by forecasting how the City can keep on top of infrastructure and capital demands.

Organizational Design and Service Delivery. The new City Manager is encouraged to assess the municipal organization and, over time, evaluate service delivery processes, procedures and methods. A fresh-eyed look at departmental and divisional organization, resource-sharing, and interactions with residents and the business community is welcomed, as the City is open to continuous improvement, new approaches, and a customer-focused philosophy.

Community and Economic Development. Community and economic development issues are expected to be a significant focal point for the next City Manager. The city has an attractive and busy downtown with an active [Downtown Business Improvement District](#). In 2000, the city partnered with the [Oshkosh Area Community Foundation](#) and the [Oshkosh Chamber of Commerce](#) to develop a [Downtown Action Plan](#). The Downtown Action Plan provided a framework and agenda that has positively guided capital improvement projects and private investment for more than 15 years. Much success was achieved, and Oshkosh's downtown saw a significant transformation.

The City has since updated and built on that success. In 2017, the Imagine Oshkosh Plan was developed as an update to previous planning efforts, which now serves as a long-term vision and comprehensive investment strategy for the entire Center City including the [Sawdust District](#). The Sawdust District, known for its historic industrial uses, was once home to leading lumber and furniture companies. As the dominance of the lumber industry decreased in the community, development has evolved to a more diverse state. Today, the Sawdust District is experiencing a development renaissance starting with redevelopment of a site into the Oshkosh Arena that is the home court for Wisconsin's newest NBA G-League team, the Wisconsin Herd.

The city's geographic location presents a mix of challenges and opportunities. For instance, the City's proximity to larger urban centers such as Milwaukee, Green Bay and Madison, and being a host community to the University of Wisconsin Oshkosh, provides synergy and support to the area's retail, commercial and manufacturing businesses. However, despite an influx and constant turn of new and younger residents, the transience of this potential workforce and low unemployment makes for challenging recruitment and retention efforts for area businesses.

Historically a manufacturing community, Oshkosh is experiencing a transforming economy. The [Greater Oshkosh Economic Development Corporation](#), of which the City is a key partner, is focusing on transforming the regional business and economic conditions by increasing the region's overall personal wealth, business profitability, community investments, and standard of living – measured against other regions.

While [housing development](#) is occurring within the city's limits, the City has identified additional pent-up housing needs that span the financial spectrum, i.e., from workforce housing to higher-end single-family products. There is a significant share of multi-family housing and mixed-use available or coming on-line, and there is developer interest in this market, but single-family housing options are limited as is unimproved land, all exacerbated by higher interest rates. The City finds, too, that it competes with its neighboring communities as developers and homebuyers consider their building and buying options beyond Oshkosh in the Fox River Valley.

All told, the next City Manager can expect to work cooperatively with elected officials, the Oshkosh business community, the Chamber of Commerce, the Greater Oshkosh Economic Development Corporation, and other economic development stakeholders to advance the area's common goals for addressing development, redevelopment, business retention and attraction, and housing growth opportunities.

Community Involvement and Intergovernmental Relations. The next City Manager should be comfortable having a visible role in the City, easily interacting with, and embracing a wide spectrum of residents, individuals, and community businesses and organizations. Stakeholders both inside and outside the organization expect the City Manager to embrace the community with a sincere passion for the welfare and advancement of Oshkosh.

In addition, the incoming City Manager should welcome opportunities to collaborate with regional interests that include the [Oshkosh Area School District](#), [Winnebago County](#), the [Oshkosh Chamber of Commerce](#), [Downtown Oshkosh](#), the [Oshkosh Convention and Visitors Bureau](#), the [Greater Oshkosh Economic Development Corporation](#) and the not-for-profit sector, which is serving a significant portion of the City's population. Consequently, a broad view of regional opportunities and partnerships will be required, and the next City Manager will need an appreciation that these interdependent relationships, interests and agencies all play a role into shaping the social and economic fabric of the community.

University and City Relations. The City has a positive relationship with the University of Wisconsin Oshkosh that reflects ongoing communication and responsiveness. Yet, not unusual in municipalities that host colleges, campus growth and student activities sometime add challenges to municipal resources. The next City Manager is expected to cultivate a high level of communication and collaboration and to maintain strong ties with the University by working confidently, creatively and objectively with University officials.

Intergovernmental Relationships. The City's desire for strong intergovernmental relationships within the region is keenly important. Since Oshkosh is one of the largest communities in the state, it plays a significant role in helping craft state legislation that affects all Wisconsin communities, and its leaders have developed important relationships and persuasive messaging on a regional and state level. In this regard, it will also be important to build a strong working relationship with Winnebago County, as many of the City's social challenges – homelessness, unemployment or under employment, and an influx of immigrants – are issues that require the County's role as they are the state's human services agent. The next City Manager can expect to play a leading role in developing close working alliances within the community, and with state, county and municipal partners and neighbors.

CANDIDATE QUALIFICATION CRITERIA

The following education, experience, management, and leadership criteria have been identified by the City's management team as important skills and abilities for candidates to possess and demonstrate.

EDUCATION AND EXPERIENCE

- A bachelor's degree in business or public administration, or related field, with a master's degree in public administration or closely related field preferred.
- Proven executive-level municipal management experience as either a chief administrative officer or assistant CAO, preferably in an independent, freestanding community of similar size and complexity, or an equivalent combination of education and experience.
- A team-oriented, strategic-thinking approach toward staff leadership with supervisory skills compatible with a high-functioning team.
- Exceptional interpersonal and communication skills.
- Strong financial, analytical, and budget management expertise.
- Have management experience in creating an environment of trust, integrity, and mentorship where employees respect one another and where the City's departments consistently function at a high level of customer service.
- Have a demonstrated ability to provide strategic leadership and long-range planning practices.
- Have a history of assessing the skills and abilities of existing personnel in an effort to maximize their talent and expertise, including opportunities for employees to take on new challenges as professionals.
- Excellent communication skills and significant career success in building collaborative, effective relationships across departments.

MANAGEMENT STYLE AND PERSONAL TRAITS

- Have a background of professional and personal integrity, honesty and of leading/motivating personnel by example.
- Have the maturity, self-confidence, and strength of professional convictions to provide administrative insights and administrative counsel to the City Council and Staff, being able to firmly and diplomatically present professional views and carry out administrative decisions in a timely, professional, and impartial manner.
- Be politically astute, yet politically neutral. Be able to “read the Council,” providing guidance, advice and counsel in a manner that is impeccably objective and based on facts.
- Be a proactive communicator with the City Council, reporting at least weekly to the Council through a variety of means, and seeking ways to interact with Council members one-on-one.
- Be someone who is comfortable listening to and talking with a wide spectrum of people; someone who can clearly and concisely present written and oral information to decision makers; willingly share information as appropriate.
- Be a creative thinker.
- Be a strong administrative leader and be able to help City Staff to identify, analyze, prioritize, and thoroughly deliberate and address administrative and management issues, which are critical toward meeting both current and longer-range needs of the overall community.
- Be comfortable in delegating responsibility and authority to professional staff as a team player while remaining informed and conversant on the status of all programs and projects.
- Be a “people person,” sincerely personable, patient, calm and accessible. Have a sense of humor.
- Be one who can establish trust quickly with others and one who can relate to all elements of the community.
- Promote a strong, service-oriented, “customer relations” approach by all employees in dealing with citizenry. Lead with “Yes....”
- Possess an open mind in dealing with the City’s complex and challenging issues that sometimes compete with one another.

COMPENSATION, BENEFITS AND THE ORGANIZATION'S CULTURE

The starting salary is \$185,000 – \$225,000 +/- DOQ, plus an excellent benefit package. The City offers a competitive benefits package including health, dental, and vision insurance, FSA, paid time off, cell phone, and participation in the Wisconsin Retirement System.

The City Council possesses a strong respect for City staff's work. Among themselves, elected officials are collegial and respectful of differing perspectives and points of view.

The City is an Equal Opportunity Employer. The City seeks to attract the most talented people from a diverse candidate pool, and strongly encourages women, people of color, LGBTQIA+ individuals, people with disabilities, and veterans to apply.

Mr. Jason Peters, Administrator
Village and Town of Somers
P.O. Box 197
Somers, WI 53171

Dear Village/Town Administrator Peters:

I am herewith submitting a proposal to assist the Village and Town of Somers in the recruitment/selection of the community's next Administrator. Since 1998, Public Administration Associates (PAA) has worked with over 225 different Wisconsin municipalities ranging in population from 400 to 110,000 on the executive searches for their chief administrative officers and we would be very honored to work with the Somers Village and Town Boards on this very important work.

In the last year, we have worked on over 30 municipal CAO searches in Wisconsin, including recently in nearby Caledonia, Cudahy, Pewaukee, Salem Lakes, Union Grove and Wind Point, so we are very familiar with and attuned to current municipal job market dynamics in southeastern Wisconsin. Because of our extensive experience in these municipal executive searches and extensive city administrator network (we have over 1500 potential municipal city administrator candidates in our current data base), we are very aware of many well-qualified candidates that we would actively recruit for the Somers position. We are also using new AI software in 2025 (SourceWhale) that accesses potential candidate information through 11 different data providers in addition to our traditional on-line marketing sources that are identified in our proposal. As such, we are confident that we can bring great value to Somers's administrator search process and attract many talented candidates.

To date, PAA has conducted almost 500 successful municipal CAO executive searches. What follows is information about our company and the value-added assistance that we would bring to the Village and Town of Somers. Please feel free to visit our website at www.public-administration.com.

Sincerely,

Kevin M. Brunner

1. About Public Administration Associates

SINCE 1998

Taking Local Government
to New Heights...

Public Administration Associates (PAA) is recognized among the most trusted, skilled and effective local government consultants in Wisconsin and the Midwest. Our consultants are highly skilled practitioners who get the job done through unparalleled commitment to public service, the highest standards of service to its clients and the efficient use of client time and resources. PAA has built a sterling reputation earned from 25 plus years of municipal consulting and a combined 400+ years of public management experience.

Celebrating 27 Years of Municipal Consulting in Wisconsin

PAA was organized in April 1998 by partners William Frueh, Denise Frueh, and Dr. Stephen Hintz. Kevin Brunner is now President of PAA and the Fruehs and Hintz are PAA Associates along with approximately fifteen other local government professionals who are affiliated with PAA and work on a project-to-project basis. In 2020, Kevin Brunner was joined by David Bretl and Christopher Swartz as partners of the firm. In early 2025, Swartz has become a Senior Associate of the firm and Susan McDade and Shawn Murphy have become new partners with Brunner and Bretl. Brunner currently serves as the firm's president while Bretl serves as CEO/General Counsel with McDade serving as vice-president and Murphy as its secretary/treasurer.

Kevin Brunner-President

Kevin Brunner has over forty years of experience in serving Wisconsin local governments. He served as the manager/administrator in Saukville, Monona, De Pere, and Whitewater and worked as an assistant administrator for the City of Appleton and Kenosha County. He retired from public service as the Director of Central Services/Public Works for Walworth County. Brunner was the recipient of the 2007 Wisconsin City/County Manager of the Year and 2012 Service Innovation awards, both from the Wisconsin City/County Management Association (WCMA). Brunner is a past president of the WCMA and served on the League of Wisconsin Municipalities and Alliance of Cities Boards of Directors. He received his BA in Political Science and Criminal Justice from Carthage College (Magna Cum Laude and Rhodes Scholar Nominee); MPA from Michigan State University and is a graduate of the University of Virginia Senior Executive Institute. He achieved credentialed manager (ICMA-CM) status from the International City/County Management Association during his city management career. He has served on numerous public and non-profit boards and is currently chair of the Geneva Lake Conservancy. Brunner has been actively consulting since 2014.

David Bretl-CEO/General Counsel

David Bretl has served local governments in Wisconsin for the past twenty-nine years. He retired in early 2020 from his position as County Administrator and Corporation Counsel for Walworth County, a combined position that he held since 2003. He has joined PAA as a partner in January 2020 but has been working as a consultant with the firm since 2018. During his eighteen years at Walworth County, Dave was involved in the two board downsizings, the replacement of most of the County's facilities and the consolidation of six departments. Dave has moderated the county's Intergovernmental Cooperation Council (a collaborative effort among municipal, county and town governments) since 2008 and serves as an advisor to Leadership Walworth, a program designed to develop public, non-profit, and private sector leaders. In 2005 he helped organize a county-wide private-public economic development initiative, WCEDA (Walworth County Economic Development Alliance, Inc.). In 2015 that organization honored him by establishing the Dave Bretl Community Betterment Award.

Sue McDade – Vice President

Sue McDade has over 30 years of experience as a local government recreation and facilities administrator. She is currently the Community Services Director in Waunakee, Wisconsin, a fast-growing north Madison suburb. Responsibilities include recreational programming, supervision of the community center (including a fitness center, gymnasium, community room and senior center), and development of the park system, currently consisting of over 200 acres of park land. Mc Dade obtained a master's degree in Recreation and Park Administration from Penn State University. She is a past president of the Wisconsin Park and Recreation Association (WPRA), serving from 2014-2016. She is the recipient of numerous Wisconsin and regional honors and awards, including the prestigious WPRA Professional Award of Merit in 2010. McDade teaches courses in the Recreation Management Program at Madison Area Technical College.

Ms. McDade works on executive recruitment and park and recreation-related management studies for PAA.

Shawn Murphy – Secretary/Treasurer

Shawn Murphy has held positions in state and local government for over 30 years with 26 years' experience as a Municipal Administrator. After obtaining his Bachelor Degree in Business Administration from the University of Wisconsin-Eau Claire in 1986 and Master's Degree in Public Administration from the University of Wisconsin-Milwaukee in 1990, Murphy began his career as a Budget & Program Coordinator for the Wisconsin Department of Transportation. Murphy served as Assistant Village Manager in Whitefish Bay from 1992-1997; Village Administrator in Prairie du Sac from 1997 to 2007; City Administrator in Verona from 2007 to 2010 and City Administrator in Portage from 2012 to 2023. Murphy has a strong track record of collaboration and was involved in the formation of the North Shore Fire Department, the reformation of a joint Police Department between Prairie du Sac and Sauk City; worked closely with the Sauk Prairie School District to create the Sauk Prairie Recreation Commission that includes 6 municipalities and was involved in the creation of a joint municipal court commission that includes 4 municipalities. Murphy was an active member of the Wisconsin City/County Managers Association (WCMA) and the International City Manager's Association serving on numerous committees. In 2023 Murphy received a lifetime achievement award from the WCMA.

Mr. Murphy works on interim management assignments and executive recruitment projects for PAA.

3. PAA's Expectations and Results-Our Approach to Executive Recruitment

Our primary objectives are (1) to attract the highest number of professionally qualified, experienced and diverse applicants and (2) to facilitate a selection process that is thorough, professional and timely, resulting in the selection of the candidate who best meets the requirements of the Village and Town.

We believe that the Village and Town Boards should be actively involved in the selection process at all stages and that our primary role is to provide progressively more information about candidates to assist the respective Boards in selecting semi-finalists, finalists, and the final choice. While we certainly review applicants very carefully, it is not our role to select candidates.

We believe that the process consists both of recruiting—the Village and Town officials involved will be actively selling themselves to potential candidates—and selecting—the Selection Committee or Board Members carefully reviewing applicants for the best possible choice. Too often municipalities only consider the selection part.

We believe that the Somers municipal staff has a large stake in the process. We recommend that department heads and other staff have an opportunity to meet and talk with each of the finalists. However, we fully recognize that the final decision rests with the governing body.

Finally, we believe that the process should be conducted in a planned, deliberate, and timely fashion. Specific preferences of the Village and Town should be accommodated in the design of the process, not as the process unfolds.

4. Our Proposed Methods and Plan for Somers

The following is our 12-step process that describes the scope of activities to be performed by Public Administration Associates during a typical municipal executive recruitment and selection process. We can readily adapt the process that we utilize to a schedule as may be requested by the City.

PAA President Kevin Brunner and PAA Vice President Susan McDade, will be the consultants on the Somers Administrator recruitment/selection project. This team has worked on many recent municipal chief executive searches in Wisconsin (in the last year for Algoma, Allouez, Amery, Baraboo, Cudahy, Deerfield, Durand, Hudson, Lake Elmo (MN), Pewaukee, Park Falls, Washburn and Whitefish Bay) and collectively have worked on over 150 successful municipal administrator search projects.

Activities to be Performed for Somers by PAA Consultants

1. Meet with the Village and Town Board and Key Municipal Staff as appropriate to discuss the characteristics desired in the next Somers Village/Town Administrator and the process of recruitment; review the Village/Town Administrator ordinance and job description and prepare needed revisions; prepare the position description; determine recruitment procedures and the interview and selection process, and determine the optimal time schedule for the Village and Town of Somers;

These meetings are important to establish the qualifications and qualities that the Village and Town wants in its next Village/Town Administrator and to determine the recruitment procedures and schedule.

2. Place advertisements in appropriate publications and on-line sources, including the International City/County Management Association (ICMA), Illinois City/County Management Association (ILCMA), League of Wisconsin Municipalities, Wisconsin City/County Management Association (WCMA), Government Finance Officers Association (GFOA); Iowa Municipal League, Minnesota League of Cities; Strategic Government Resources (SGR), Local Government Hispanic Network, Black Public Administrators Association, universities with nationally recognized public administration programs (city management) including the University of Kansas, Northern Illinois University, University of Minnesota, Mankato State University, Syracuse University and Brigham Young University; also contact and encourage personally known qualified individuals to apply contained in PAA's 1500+ candidate data base as well as through both LinkedIn and Indeed.

ICMA, ILCMA, WCMA, Strategic Government Resources, Minnesota League of Cities and the League of Wisconsin Municipalities are the premier channels for reaching qualified applicants for the Waupaca City Administrator position in our opinion. All told, we will post the Waupaca position on over 50 on-line governmental and university job sites.

3. Produce a two-minute video with the Village and Town to promote the position via social media (primarily YouTube and LinkedIn) to prospective applicants. PAA will assist in writing the script for the video and the Village and Town will assist in providing readily available still photography and/or video content of the community. It is suggested that Village President Stoner and Town Chair Molinaro be videotaped as part of this video to promote the position. Here are two links to recent video job announcements (for the Cities of Monroe and Platteville respectively) we distribute via social media as examples.

PAA will also produce a digital Somers Village/Town Administrator Position Profile that will be used in the direct marketing of the position to targeted candidates identified by PAA and the

City. Here are links to two recent PAA Position Profiles developed for Baraboo and Middleton respectively.

Baraboo: <https://public-administration.com/jobs/baraboo-city-administrator/>

Middleton: <https://public-administration.com/wp-content/uploads/2023/06/Middleton-City-Administrator-Position-Profile-1221-1-2.pdf>

4. Receive applications and acknowledge receipt. We will download all application materials onto a Google Drive file and will share that with the Village and Town Clerks so that a full and complete record of all submitted information is fully maintained for municipal recordkeeping and open records purposes.

5. Review applications and provide a “Mini-Resume” Candidates Report to the Selection Committee and/or Village and Town Boards that will include a rating of the candidates as “qualified”, “unqualified” and “wild card” (these candidates may not strictly meet the qualifications but may have skills or work experience that may warrant continued consideration as candidates for the Village/Town Administrator position).

6. Review applications with the Selection Committee and/or Village and Town Boards for the selection of semi-finalists (typically there will be between six and ten candidates who would continue as semi-finalists).

7. Contact semi-finalists designated by the Selection Committee and/or Village and Town Boards; conduct background and reference checks; prepare semi-finalist candidate profile statements (see attachment for an example of the detailed 5–7-page background report that we produce on each candidate at this stage); provide material to the Selection Committee and/or Village and Town Boards.

This is the most important and time-consuming part of the search process. Semi-finalists must supply references that are from elected officials and staff superiors, peers, and subordinates with whom the applicant has worked. If references are not appropriate, semi-finalists must supply additional references. Questions are asked about accomplishments, strengths, skills, interpersonal relationships, and needed areas of improvement. This information is critical in evaluating the candidates and preparing the candidate profile statements. Semi-finalists will prepare electronic video interview presentations for the Selection Committee and/or Village and Town Boards to review. If desired as an alternative, telephone or video conference interview can also be arranged which are recorded and shared with the selection committee or governing bodies.

8. Review semi-finalists with the Selection Committee and/or Village and Town Boards for selection of candidates to be interviewed on site in Somers.

The Selection Committee and/or Village and Town Boards review the resumes, the reports developed from the reference/background information and the electronic presentations. It then selects candidates as finalists to be interviewed. At this stage, all the candidates should be technically qualified to be Somers next Village/Town Administrator. The primary value of the interview is to determine the "fit" with the Somers community.

9. Work with the Somers officials to arrange interviews and the on-site candidate assessment center in Somers.

10. Assist in the interview process, including arranging the schedule, coordinating plans with candidates, providing sample interview questions, conducting a writing exercise, observing the interviews, facilitating the selection of the first choice, and seeing that the interviews run smoothly.

While there are a variety of approaches to the interview process, PAA normally recommends a two-day "assessment center" type process. On the first day, all the finalists on individual schedules tour Waupaca and meet with the city leadership team (typically department heads) and appropriate department staff. Although the department staff members do not participate in the final selection of the Village/Town Administrator, each of them is asked to comment on the candidates as further evidence for the Selection Committee and/or Village and Town Boards to consider. These meetings are important for both the candidates and Somers officials. Other activities that could be considered are a community reception or meet and greet for the candidates, an in-basket exercise, a leaderless group discussion, an emotional intelligence assessment and a psychological review.

On the second day, the Selection Committee and/or Village and Town Boards interview each candidate for approximately one hour. In addition, each candidate participates in a writing exercise to determine writing skills. The actual interview day(s) are scheduled at the convenience of the Somers elected officials.

There are other approaches to the interview process. PAA will work with Somers officials to determine the process that is most suitable for the Village and Town.

11. Draft the recommended Village/Town Administrator employment agreement and provide assistance in the negotiation of an employment agreement.

Normally, PAA receives instructions from the governing body and negotiates an employment agreement for review and approval by the Village and Town Boards at next respective meetings or at a special meeting. However, we are prepared to work with the Somers

officials in any capacity in negotiating an employment agreement with the selected candidate. It is also imperative that the Village or Town Attorney approve as to form the employment agreement that will be negotiated with the chosen candidate. While PAA has drafted many municipal administrator employment agreements, the final document to be negotiated must have the full review/approval of the local attorney.

12. Prepare electronic letters for Village President Stoner and Town Chair Molinaro's signature thanking all applicants and notifying them of the result.

5. Project Costs for Somers/Insurance

We strive to make our costs affordable to the municipal clients that we serve. We know that in Wisconsin, with local government levy limits and expenditure restraints, that municipalities must be ever cost-conscious.

Total Cost (Including all Direct Marketing Costs Estimated at between \$2,200 and \$2,500 for the Somers Posting and Direct Consultant Expenses Estimated at Between \$1,000 and \$1,500)-\$16,500.

Not included in our lump sum amount are any aptitude/psychological tests, emotional intelligence assessments; post-offer background checks and/or interview visits to the candidate's community of residence if desired or requested. If requested by the City, PAA will facilitate this work and just pass-through these costs to the City (PAA does not apply any mark-up to them).

PAA will bill the Village/Town for one-third of the quoted lump sum amount at the time of execution of the executive services contract with PAA; one-third at the mid-point in the search process (selection of semi-finalists) and will bill the remainder of any other costs incurred on behalf of the Village/Town after the new Village/Town Administrator's employment agreement has been approved by the respective Village and Town Boards.

PAA carries professional liability insurance with limits of \$1,000,000 per occurrence/\$1,000,000 aggregate. We can provide a certificate of insurance to the Village and Town of Somers upon request.

6. Somers Recruitment/Selection Schedule

PAA can start the recruitment process for Somers next Village/Town Administrator as soon as it might be awarded a contract for such work. However, PAA will work closely with Village and Town officials to maintain a schedule that will get a new administrator on board as soon as what the community desires. Early in the recruitment phase of the search process, we would like to discuss the full search schedule and what the most effective and efficient transition between departing Administrator Peters and his selected successor should be. PAA also has several very seasoned and experienced retired municipal administrators that it could provide to serve in an interim village/town administrator capacity for Somers.

7. Our Commitment to Somers

Public Administration Associates, LLC will commit whatever time and effort is necessary to fully and successfully complete all tasks described in this proposal.

Public Administration Associates, LLC provides the following guarantees:

- If the initial search is not successful, PAA will conduct an additional search until the Somers Village/Town Administrator position is filled. If additional marketing costs are incurred by PAA for any additional searches for this position, only these direct marketing costs and not any additional PAA consulting costs will be charged to Somers.
- If the candidate selected either resigns or is terminated for cause within the first twelve months of employment, PAA will conduct a new search and waive its consultation fee. We have had to only honor this guarantee four times for the almost 500 municipal executive searches that we have conducted over the past 27 years (that is a success rate of over 99%!). As such, we are very confident in our recruitment/selection processes that we employ.

8. PAA References-Recent Wisconsin Local Government Executive Searches

Quotes from several recent municipal clients:

“PAA has conducted four city manager searches for Platteville during my 20+ year tenure on the City Council. They have also done consulting work for our community. I have found them to be highly capable professionals who are very networked in the city management profession and they have facilitated a highly inclusive selection process that has engaged not only our city council but the city staff and entire community. I recommend them strongly to any community who is seeking new administrative leadership.”

City Council President Barbara Daus, City of Platteville

“PAA consultants exceeded our expectations in every area of recruiting and hiring our new city administrator. They were invested in creating an inclusive and successful process for our staff, community, and the candidates. Their high degree of professionalism, knowledge, and communication skills were demonstrated throughout the project. We could not be more pleased. There is no hesitation in recommending them to any community.”

Mayor Anissa Welch, City of Milton

"Thanks to Public Administration Associates, LLC, we were able to secure both an interim administrator who seamlessly guided us through a transitional phase and a permanent administrator who has already brought a fresh perspective and dynamic leadership to our organization. Their dedication to excellence and their unwavering support were integral to this successful outcome.

Without hesitation, I highly recommend Public Administration Associates, LLC to any organization seeking unparalleled professionalism, expertise, and results in their administrative recruitment endeavors. Their commitment to identifying the right talent is truly commendable, and their contributions have had a lasting positive impact on our organization."

Former President Chris Campbell, Village of Marshall

“The Town of Algoma has used PAA for all our Administrator searches. They have guided us through the process and given us very qualified people to appoint to this important position that have served us well for many years.”

Joel Rasmussen, Town Chairman, Town of Algoma

CANDIDATE BACKGROUND REPORT-CONFIDENTIAL

CANDIDATE: [redacted]

Please note that this report has two sections: 1) a comprehensive report on the nine work-related reference interviews conducted by PAA on the above candidate and 2) a background summary of the candidate (criminal, driving, education, financial and social media) conducted by Crescent Investigative Services for PAA.

1. Reference Summary:

[redacted] offers a broad educational background and diverse job experience in his resume, and all his references believe [redacted] is well prepared to serve and meet the demands and challenges of being City Administrator in a community like Hudson. He has served most recently as the first city administrator in [redacted] and has a total of approximately 17 years of upper-level local government experience in local government in Wisconsin and Michigan.

[redacted] graduated from UW-Green Bay in 1994 with a Major in Urban and Regional Economic Theory. He completed a Master of Science Degree in Environmental Science at UW-GB in 1998 and completed all his coursework for a PhD in Urban and Environmental Planning and Groundwater Systems from UW-Milwaukee in 2004.

From 2000-2005, [redacted] served as an Environmental Scientist/Planner at Graef, Anhalt, Schloemer and Associates in Milwaukee. From 2005-2011, he was Director for Planning, Zoning and Construction Resources in Emmet County, Michigan (Pop. 34,112). He served as Director of Conservation, Planning and Zoning for Sauk County, WI (Pop. 64,578) between 2011-2016 and Interim County Administrative Coordinator in Sauk County from 6/2015-4/2016.

While serving in his County Planning and Zoning positions he was directly responsible for supervising between 8 and 24 Full-Time employees. As Interim County Administrative Coordinator he was responsible for oversight of 24 Department Heads and approximately 700 employees.

[redacted] returned to the private sector in July of 2016 as Permitting Manager for Mobilitie, LLC overseeing large scale cell tower location development and permitting in the State of Wisconsin and Upper Peninsula of Michigan. Mobilitie in 2019 closed its operations in

Wisconsin and consequently Michalek lost his position with the firm. He subsequently was selected as the first Park Falls City Administrator and has served in that capacity since August of 2019.

All of the Park Falls references I talked to (there were four people we contacted) were effusive in their praise of his work there. They invariably cited his resourcefulness in getting grants and other alternative forms of financing for a wide variety of projects there. The former mayor of Park Falls (who is now the Portage City Administrator) and the Park Falls City Attorney and retired Police Chief there lauded him for his grantsmanship and his ability to convince federal and state officials of the need for their assistance. In his four and half years in Park Falls, he is credited with bringing in over \$14.5 M in state and federal grants. He has been adept at creating and administering TIF districts.

All his references also indicated that he possesses a great ability to break complex issues down for the citizens and elected officials that has served as well as present policy options for the governing body in a highly understandable manner. The Park Falls City Attorney, who also serves as legal counsel for about ten other municipalities, paid him a high compliment when he told me that "[REDACTED] really works at building solid relationships with everyone he encounters and really knows his audience and how to provide them with the information they desire and need."

References like Peter Vedro, the current Chairperson of the Sauk County Board of Supervisors, as well as former work colleagues in Sauk County, spoke highly of the job [REDACTED] did while serving as Interim Administrative Coordinator and Director of Conservation, Planning and Zoning there. Vedro said, "I was very impressed by the tremendous mastery he had of the subject matter and his presentations helped both Board members and colleagues become comfortable with decision-making. He was serving as Sauk County Interim Administrator during a very challenging time. I thought he handled things exceptionally well and I watched him do a lot of listening and he brought a sense of calm to what was otherwise a very divisive environment."

One indicator of [REDACTED]'s passion for public service work and high level of competence, besides the approval of his references, has been his involvement in professional associations and desire to share his knowledge and experiences with peers through speaking or writing. According to Jon Hochkammer, formerly of the Wisconsin Counties Association (WCA), when the WCA created a Frac Sand Task Force, [REDACTED] was appointed as the staff person due to his familiarity with groundwater issues. He has also served as Southwest District President of the Wisconsin County Code Administrators and wrote articles for *Wisconsin Counties Magazine* and *Planning and Zoning News*.

About the only issue that references indicated was a weakness of [REDACTED] is his apparent trusting nature. He very much wants to trust the people he works with and for, however, the former Park Falls Mayor (and to a lesser extent the former Police Chief as well) suggested

that he be a “be a bit more careful in readily trusting others until he gets to know them and their motives better.”

All [REDACTED] references paint a consistent picture of him that he is very competent and experienced administrator who might be a very good fit as Hudson Administrator. He is an individual who has a strong commitment to public service; is a team builder and effective communicator; has good problem-solving skills and has experience with budgeting, human resources, capital planning and economic development. He seems to be very well qualified and prepared to step up to an opportunity like this in Hudson.

REFERENCES INTERVIEWED: Michael Bablick, Former Park Falls Mayor and current Portage WI City Administrator; Daniel Brattset, Sauk County WI Human Services Director; Jerry Ernst, Retired Parks Falls WI Police Chief; Rebecca Evert, County Clerk, Sauk County WI; Jon Hochkammer, Retired Assistant Director, Wisconsin Counties Association; Bryce Shoeborn, City Attorney, City of Park Falls, WI; Nick Trimner, County Administrator, Price County, WI; Peter Vedro, Former Chair, Sauk County WI Board Supervisors and Jay Wendt, Permitting Manager, Mobilitie, LLC.

POSITIVE SKILLS: “Is very thorough in his approach to problem-solving and has an in-depth knowledge of local government issues and operations” “The quality of his work is top-notch. He is an exemplary employee and has a good ability to develop relationships with people.” “Great work quality. Good problem-solver with high intellectual capacity. Very articulate and well-spoken. Good presentation skills and organized. Has the ability to focus on key issues is well-respected and professional. Also, an affable personality but understands how to create a balance between seriousness and humor.” “Great quality of work. Very open-minded and easy to communicate with.” “Quality of work is excellent. I never questioned any of his information. Always appreciated that he was a good listener as well as communicator. Very professional.” “He has performed at a high level for us in Park Falls...he has been extremely resourceful in finding grants and other alternative sources of financing for projects and operations (much more so than any of the other municipalities that I represent) and has a great attention to detail”

FIRST IMPRESSION: “You would immediately recognize that he has a strong knowledge base about local government and will forthrightly address you and your issue or problem” “You would view him as knowledgeable, experienced and committed. He would be interested in what you had to say.” “Very knowledgeable in all aspects of local government. Great breadth of knowledge. Understands how government works because he has dealt with all aspects of it himself. He knows what he is talking about.” “He knows his stuff, is competent and well-spoken. He has a connection to, and passion for local government and desire to serve the taxpayers.” “Easy to talk to. Honest and straightforward.” “Good background. Good communicator and ability to work together.” “He is a very knowledgeable guy who knows the ins and outs of government...has a great ability to break down complex issues so that you understand things when he is finished explaining them to you”

SKILLS TO WORK ON: “He very much wants to trust people, which I really like about him, but he should be a bit more wary and less trusting until he finds out more about people” “Hard question. Not sure what I would say”. “Not a whole lot of problems with core competencies. If I had to say something, maybe be sure to take a step back and make sure you are always looking at the humanity of each person and not just interpreting statutes or ordinances. Also always stay positive.” “Nothing jumps out at me.” “He’s usually on top of everything.” “Nothing specific. I thought he dealt well with a difficult situation as Interim Administrator in Sauk County.” “I’ve rarely heard any complaints about him other than sometimes not getting back to people right away but that might be just impatience on their part”

RELATIONSHIPS WITH:

ELECTED OFFICIALS: “ Excellent in Park Falls...I think everyone on the City Council would say that...he keeps everyone in the loop and shows daily that he values their relationships with him” “As Zoning Director he gave very good presentations on land use issues and options available to the Board. I was always impressed with the depth of his review and clarity of recommendations. Always did his due diligence to help us make a wise decision. As Interim Administrative Coordinator he was serving 31 Board members in a very politically divisive situation which made things very difficult. He was also sandwiched between 20 Department Heads and 31 Board members.” “From my perspective as a fellow Department Head in Sauk County, (Human Resource Director), I saw his relationship with the Board as favorable.” “Good, the Board appreciated his quality presentations on budget and land use.” “With the County Board in general I would say very positive. When I attended Board meetings to give presentations on County issues, they seemed to show him a lot of respect and that respect was mutual.” “Very good...he has worked effectively with two different mayors in Park Falls and has demonstrated a solid ability to make the options before the Council very understandable and they rarely question him because he is so good at explaining things to them”

DEPARTMENT HEADS/CO-WORKERS: “He keeps them accountable but they work as a team with him and his working relationships with them have been quite good...he had to take action to relieve one department head but that was a long-time coming and he worked very hard in trying to improve her performance before taking needed decisive action” “He was well-respected with good work relationships as far as I know. I never heard of any internal conflicts in his Department.” “I was in a different Department but I did not hear of any issues or controversies.” “All Department Heads met regularly and we got on well. As far as I know there were no issues.” “He understands the importance of developing good relationships with superiors and work colleagues. He is well-respected by others in the organization. Easy to get along with and willing to go out of his way to help with extra work load if necessary.” “Can’t speak well to this but never heard anything negative. He was always respectful and courteous to colleagues he worked with around the State.”

PUBLIC AND MEDIA: “He dealt with constituent concerns on a regular basis both with individual requests for land use changes and preparing for larger public hearings. As a County

employee his contacts were broad and wide relating to many towns, villages, cities and organized groups. He was involved with the media during several contentious land use issues that emerged during his time as Director of County Planning and Zoning.” “This was not my Department but I know he worked with citizens both personally and at public hearings. He seemed to deal with the media well especially when there were some controversial changes in the land use ordinances that were proposed.” “He had an open-door policy for citizens and took time to meet with them. His knowledge and transparency were helpful when dealing with the local newspaper.” “At Mobilitie he had a broad range of citizen contacts which needed wisdom and maturity-initial meetings to propose site acquisition for possible cell tower location, negotiating leases, presentations at public meetings and hearings, and answering any media questions.”

COMMUNITY INVOLVEMENT: “Is involved on local school board because of his kids...has a gifted and talented child as well as one with special needs and he jumped in to serve when he was asked” “Not aware” “Don’t know” “Not sure” “Not much knowledge I know he was very active with his kids and their school activities...I know he is on the Chequamegon School Board and has served on their Finance, Operations and Personnel Committees” “Very visible in Park Falls attending community activities and events”

REASON FOR SEEKING NEW POSITION: “Largely related to his family as I know he has a special needs child who could be better served in a larger school district like Hudson” “Totally professional advancement as they really love him in Park Falls and has the skills that are worth more than he is currently paid and that Park Falls can afford” “Professional advancement...he definitely can make the progression up to a larger city like Hudson”

PERSONAL CONCERNS: None of the references mentioned any personal issues that they know of that would impact Michalek’s hiring. The only issue that was raised was his termination when he was with Sauk County but it was noted that that was due to a hostile work environment there created by a former board chair...a number of department heads and the county administrator were let go or left due to that person’s behaviors and actions (this was corroborated by three of the references).

OTHER COMMENTS: “I currently serve as a city administrator myself and anyone who gets him as their administrator will be extremely fortunate...you will get two things for sure from him 1) a very dedicated and hard worker and 2) an incredibly loyal person who will do everything in his power to improve the community” “In my experience, he is an incredibly knowledgeable and collaborative leader who has a lot of experience and I highly recommend him. Anyone who gets him as an Administrator would be lucky” “It was an absolute pleasure to have him as a teammate. He would be an invaluable asset to any organization. I highly recommend him and we miss him here in Sauk County” “He puts a high-priority on the quality of his work, and sincere about doing a good job. We miss him on the team” “Great personality, knowledge and skills” “I think he would do well in Hudson. He is good with people and can absolutely handle the job. My experience is that local governments often are successful when hiring former

planners as Administrators...I think this would be the case with [REDACTED] and Hudson” “Absolutely would recommend him to the elected officials in Hudson...I am a reluctant reference for him because I very much want him to stay in Park Falls but he has been a huge asset to Park Falls and I am sure he would do the same for Hudson”

2. Background Check Summary
